Shivisi, You are using a lot the word "survive". I don't think it's the right word to use.

We are not struggling to *survive*, we are struggling to **live**, a normal, healthy life.

?Our whole struggle is to *discover* the true definition of **Life**.

That's all. (did you hear me say it's easy...)

Mmm, you are right until the moment before lust attacks, then its a way of life, but once lust is there, i think survive is the right word. please correct me...

I'm sorry, but for myself who is an addict and others who have these strong tendencies, "survive" is the wrong word. That is what several have been tryin' to say here and other places. We don't survive; we learn how to live life before, durin' and after an attack. We also learn how to live life before, durin' and after a fall. Survivin' is another word for white knucklin'.

There are those who learn how to live to such an extent that they are hardly under attack, and it is those who learned how to live, not those who learned how to survive.

B'hatzlachah

And how refreshing and exciting are your words. For if we but follow through properly we can learn to truly "live". Sounds a lot more appealing than merely "surviving".

I want to "live".

Day #16

today is #16, and its just getting better day by day, still tough, but thats life, we have to get used to it, and live with it, its like hunger and food someone told me, when we are hungry we eat food, so will you call hunger a struggle? no, you do what you need to do, same here, dont call it struggle, call it part of life, when you come across lust, just do what you have to do, do go around and fast to give in to hunger, and dont act out to give in for lust, just go on with your life and dont make out of it a big deal, ???? ?????, leave it up to him, becuae we cant go on with any part of life without his consent..... so ill do what i can, and hashem will help me with the rest.... Thank You Hashem..... i love you..... and ?????? ?? ???? ???? ????????

Day #20

Today is # 20, and this day, # 20 will never ever come back, and why mess it up? i'm going to make sure that day # 20 will be a clean one....

im super clean, no porn, no acting out, clean hands, clean thoughts, clean eyes, and believe me, there is no such a good thing in the world then being clean, the entire day is totally different, should it be at home, at shil, at work, you name it, the entire mind set is different, i can focus, in my old days, the other half of me, was always around porn, etc... so basically my head wasn't around anywhere, now there is no two half's of me, there is only one me, and im here fully, psychically and emotionally.... yah.....
