Day #17 of 2nd round - Day #107

today is day #17, and its a great day, no lust so far, last few days was easy once, no struggles and its just getting easier by the day. i wouldn't dream that i will be at this point one day, im a man, i have my own life, and not hostage by lust, porn and **ladys**..... its the best feeling ever, and i hope to stay like that ever....

?i had an interesting story yesterday, i was in mid new jersey, middle of a small town, probably no Jews in that area, so i went to that gas station to full up my car, and that fellow was assisting me, after he was done i gave him a dollar for a tip, so he got that huge smile, he was

thanking me, and he told me, "**you guys are the best, only you guys from your community are giving tips and doing all kind of favors, i had once a problem, and one of your guys helped me out for no charge, you guys are the best**" what a Kidush Hashem, i loved that, it gave me that good feeling...

All the Best! and remember, One Day At A Time, thats the way, and yes, with a positive Smile.....

Let's Stay Strong! Let's Stay Clean! And let's be positive and happy, Yes! We can and we will do it! And Together....

Good thing they put up a mechitza a few years ago otherwise [Siri](#) and all the ladys would be oiling their rolling pins right now out to clobber someone...

Shvisi darling, did you consider how would your wife have reacted if she heard your post?

Maybe ?????? ?????? ?? ??????, and I should be ????? ?? ??????,

To me it seems like that when there's someone who is driving a truck on the right lane and thinks that his chaver who's driving on the left lane doesn't have the perfect car.. He is allowed to Roll him over,

we'll have to ask the Hatzoloh member or a trooper who's at fault

I'm humbled that you consider me a Gadol - I'm not. Sorry to bust your bubble.

But thanks for the post

I apologize Shvisi if any misunderstanding was inferred that you're not Trucking - that's impossible - you're doing great!

I do believe that you could up your gear by a percent but that's totally your call what it means and what it needs - re-read your thread for more ;-)

Oh, and did I forget to mention the obvious?

I definitely have my own tuning needed - hey - why's my engine light flashing???

It's really bothering me - does someone have a hammer so I can shut it?

Shvisi if you want to have a daily thing with me via email, e.g. We can try daily handbook or whitebook reading - id be glad to

Day #23 of 2nd round - Day #113

today is day #21 of 2nd round, and i'm doing BH well, very bz this days, which is very healthy, i do have my lusty moments here and there, but they don't survive, and its much more easier then it used to be, BH.

A year ago i was still in the mud big time, i didn't see anything else other then porn etc... i was on a full time job at that time, acting out and only that.... i didn't know, and i didn't want to know about something else, about a better world, about a better life. but now i can say, i'm clean, one hundred and thirteen days, what a number..... im really proud of my self, and you can too, just believe me, i'm coming from that route, and its the wrong one..... just follow me....

Thank You GYE and Thank you all for getting me to this stage...

All the Best! and remember, One Day At A Time, thats the way, and yes, with a positive Smile.....

Glad to hear you are doing well. Continued hatzlacha.

Also, I don't think you ever were an *animal*. You are a human and always were a human being. As in your actions can't turn you into an animal. You just ain't that powerful. Sorry. For me it is important to believe that I have always have intrinsic value as a person, regardless of what I do. That's just me. If this is helpful, great. If not, discard it. A Freilichen Chanukah!

good afternoon, You are not necessarily disagreeing with Shivisi Hashem. If I understood him correctly, he is referring to the ??? ???? and before he came here, he was (passively?) being controlled by his body, therefore he called himself an animal. Just like an animal is controlled by its body and does not have free will.
