

Still Raging Against The Machine

Posted by Cry2Tatty - 30 Nov 2009 01:17

so thats pretty much the deal...i showed up here one day by accident and saw something weird...here were all these jews that where putting up a genuine resistance to the evil empire that is lust...in all my wanderings ive seen some crazy crap but something like this? not at all...i saw two dozen frum blogs but alas, they too were contaminated by the lust assault..poor figures...nothing more than drones following the creed that larry flynt recieved himself on Mount Sinai...disguised as frum sites but nothing of the sort, really....did i find any voices that said, "look, this sh** aint right..."...probably but a quick peruse through and i discovered that they were either out of touch with reality or just plain silly...and then i bumped into this site...and here was real and GENUINE and honest solutions....so i came...i looked around...marveled at all the flakes that took up residency here....

well, im now on at least 20 days of no pr0n and no bating...which is a miracle...its been years and years before i came here that i wasnt able to pull 5 days together and many many months where i stopped even trying....i dont know what happened but the group support and the genuineness of the good folks here and hearing their experiences and lo and behold i am a changed man...

the changes were not only in me but perhaps even greater in the people around me...no longer driven by lust i saw people (WIFE) in a new light and the changes in the way we relate to each other was quick and vast....this is perhaps what i owe GYE the most for....

i dont take myself too seriously and i hope you dont either....

Not that I'm trying to take Uri's place - he came up with the idea, and gave it to the rest of us; it's our job to use it! This is really the best thing to do, so let's do it!

We're davening that rage should win this battle, but no matter what, he's always the leader of the revolution, and we know that he won't let this get him down, no matter what happens!

And yeah, I'm with you, IT25 - I take some laughing at. Heck, I'll laugh at myself!

Wow!! Us restless natives are crazy about you!!

Thanks for sharing rage-ster!!

Just last week I was on the way home on a bus and had a similar experience. It was a good thing I called a few folks including an addict who I used to sponsor, my wife (who thinks she sponsors *me* sometimes), and just a friend out of the blue - all just to reconnect with reality. Cuz my body's reality is that the women of the world would all 'attack me' if only nobody was watching. What a nuuuuutttt!!!!!!! And there will *a/ways* be a cadre of 'hotties' out there for more of my home-grown BS to grow a farm on. That kind of BS, we have all had enough of, hopefully....

But, that's my pickle. My body goes *right* there. I mean pek'l.....whatever.

Hang in there, brother.

I'm with you on this 100 percent,dov.I also sometimes feel like I am a sex machine.But i'm just another guy who lives in a BS fantasy world with national lampoon and the rest of the chevra.

You're right,though.We gotta connect to real reality.

A true leader will man up and admit a fall. **You've just proven true leadership, Rage.**

We're gonna fight this. We won't take it laying down. Yeh, you got kicked, but you're back up and RAGING again!!!

The past had to happen the way it did. We can't understand this, but we have to believe it.

We can only deal with the NOW. And you will turn this fall into something bigger than yourself.
We all know you will.
