

Still Raging Against The Machine

Posted by Cry2Tatty - 30 Nov 2009 01:17

so thats pretty much the deal...i showed up here one day by accident and saw something weird...here were all these jews that where putting up a genuine resistance to the evil empire that is lust...in all my wanderings ive seen some crazy crap but something like this? not at all...i saw two dozen frum blogs but alas, they too were contaminated by the lust assault..poor figures...nothing more than drones following the creed that larry flynt recieved himself on Mount Sinai...disguised as frum sites but nothing of the sort, really....did i find any voices that said, "look, this sh** aint right..."...probably but a quick peruse through and i discovered that they were either out of touch with reality or just plain silly...and then i bumped into this site...and here was real and GENUINE and honest solutions....so i came...i looked around...marveled at all the flakes that took up residency here....

well, im now on at least 20 days of no pr0n and no bating...which is a miracle...its been years and years before i came here that i wasnt able to pull 5 days together and many many months where i stopped even trying....i dont know what happened but the group support and the genuineness of the good folks here and hearing their experiences and lo and behold i am a changed man...

the changes were not only in me but perhaps even greater in the people around me...no longer driven by lust i saw people (WIFE) in a new light and the changes in the way we relate to each other was quick and vast....this is perhaps what i owe GYE the most for....

i dont take myself too seriously and i hope you dont either....

We feel for u (Hold on, dyou know what feel means?)

All those days u did are a HUGE accomplishment that will never be taken from u...Tell the YH to go fight a bull

Viva la RAGE

ps-- I know you never thought about attending DC's calls, but they *can* be lifechanging. It's not just about sobriety. (you did do so many days...) It takes away the **need** for the struggle. Changes your attitude/perspective in life. As dov says 'how will the same thinking that got you)

I think anyone can still catch up. I wasn't on lotsa calls either..expecially since lotta them are very dragged out which you won have patience for prob anyway..Now is more like the action kinda stuff and he'll help you through them. He's a real nice, intelligent guy. There's lots to learn from him..Not to

Sorry you fell Rage.

I'm sure you were under tremendous pressure.

This just means you are human.

Yes, even Rage! :o :o :o

Your 120 days are not lost!

All those zechusim you created, thousands of good angels ready to testify for you, the lawyer, in shamayim!

The key is to: forget about your fall, don't get down and depressed about the fall (that's the Y"H's biggest weapon), pick yourself back up and keep on trucking!

We're here for you!

WE LOVE RAGE!!!

Think of the thousands of times you said no to the Y"H!
WE LOVE RAGE!!!

WE LOVE RAGE!!!

VIVALAREVOLUSION!!!

Rage, if my post made you sick, use one of these:

Hey Rage,

As a person who does a ton of seminars and events with lots of people I have had more than my fair share of experiences that make me wanna puke, the kind where someone is looking around a group of ppl who just met for the time, and going on about what a beautiful community we have here... does anyone want to share some thoughts or feelings... etc..

But ultimately, while I don't sip the Kool-Aid, I do find it helpful to just go in, and say that while I may not like everything someone brings to the table, ultimately it is a table I want to be at, I need to be at... and I'm going to take out of it every bit that I can...

That works for me... Anyone want to share their thoughts or feelings?

When we are trucking on cruise control, or even if we are grinding gears climbing a mountain, we are still able to sing along with the country music blasting from the radio.

The challenge is when the tire pops in the middle of yenessville with no one around but a

couple of daft looking goats.

Flat tire.

Late for delivery.

Boss upset.

Rain clouds overhead.

Now the man gets to meet the man.

Will you continue singing with Bob Dylan

or curse the noise and kick the tire?

Rage i want you to know your my leader. And you fell? So what. Like bardy says.fell shmell. We are not perfect and we are not supposed to be perfect. We are meant to fall. If not why would we be here. So i dont really give a s*** that you fell. When i first heard about it i was down. Not because you fell. Like i said before who cares. But because i knew how YOU were feeling and that got to me. Dont feel bad Rage. Your human like the rest of us. Actually alot more human that most of us. Youve got this tremendous willpower and determination. A fall cant undermine that. Keep leading the way for me bro. this has nothing to do with the 90 days. You encourage alot of people on this forum whether they admit to it or not. And as far as im concerned your still in the drivers seat. This is not about being clean and falling. Its about showing the world we will fight what they all stand for. We will fight till the bitter end. With the falls and with the cleans, we will do nothing but show them we wont give in. ***And that my friend is why your my leader, and will always be.*** :(:(:(

RAGE im asking a personal favor that you read this post. Its my heart man, its my heart. Thanks bro.
