

Still Raging Against The Machine

so thats pretty much the deal...i showed up here one day by accident and saw something weird...here were all these jews that where putting up a genuine resistance to the evil empire that is lust...in all my wanderings ive seen some crazy crap but something like this? not at all...i saw two dozen frum blogs but alas, they too were contaminated by the lust assault..poor figures...nothing more than drones following the creed that larry flynt recieved himself on Mount Sinai...disguised as frum sites but nothing of the sort, really....did i find any voices that said, "look, this sh\*\* aint right..."...probably but a quick peruse through and i discovered that they were either out of touch with reality or just plain silly...and then i bumped into this site...and here was real and GENUINE and honest solutions....so i came...i looked around...marveled at all the flakes that took up residency here....

well, im now on at least 20 days of no pr0n and no bating...which is a miracle...its been years and years before i came here that i wasnt able to pull 5 days together and many many months where i stopped even trying....i dont know what happened but the group support and the genuineness of the good folks here and hearing their experiences and lo and behold i am a changed man...

the changes were not only in me but perhaps even greater in the people around me...no longer driven by lust i saw people (WIFE) in a new light and the changes in the way we relate to each other was quick and vast....this is perhaps what i owe GYE the most for....

i dont take myself too seriously and i hope you dont either....

you're still a shining star, and when you fall, you're a shooting star

When we are trucking on cruise control, or even if we are grinding gears climbing a mountain,  
we are still able to sing along with the country music blasting from the radio.

The challenge is when the tire pops in the middle of yeenensville with no one around but a  
couple of daft looking goats.

Flat tire.

Late for delivery.

Boss upset.

Rain clouds overhead.

Now the man gets to meet the man.

Will you continue singing with Bob Dylan

or curse the noise and kick the tire?

Mom, you have such a way with WORDS. You should be a writer for GYE. Are you for HIRE?  
:D

I thought I *am* writing for GYE!

All day in fact.

Minus the 'for hire' part! :D

Rage, we're all rooting for you, no matter what. And as you've said many times, we're all part of the revolution - that has nothing to do with how many days you have, you're keeping the revolution alive and well. No, better than well - flourishing!

And, depending on how you think of a falling star, I think it does match Rage very nicely - and perhaps is something that we all need to aspire to. It's coming down to earth...like all things on this physical plane, its life is limited, yet throughout its life, everyone can see the beautiful blaze it traces across the sky, and it inspires awe in everyone that sees it.
