

Still Raging Against The Machine

Posted by Cry2Tatty - 30 Nov 2009 01:17

so thats pretty much the deal...i showed up here one day by accident and saw something weird...here were all these jews that where putting up a genuine resistance to the evil empire that is lust...in all my wanderings ive seen some crazy crap but something like this? not at all...i saw two dozen frum blogs but alas, they too were contaminated by the lust assault..poor figures...nothing more than drones following the creed that larry flynt recieved himself on Mount Sinai...disguised as frum sites but nothing of the sort, really....did i find any voices that said, "look, this sh** aint right..."...probably but a quick peruse through and i discovered that they were either out of touch with reality or just plain silly...and then i bumped into this site...and here was real and GENUINE and honest solutions....so i came...i looked around...marveled at all the flakes that took up residency here....

well, im now on at least 20 days of no pr0n and no bating...which is a miracle...its been years and years before i came here that i wasnt able to pull 5 days together and many many months where i stopped even trying....i dont know what happened but the group support and the genuineness of the good folks here and hearing their experiences and lo and behold i am a changed man...

the changes were not only in me but perhaps even greater in the people around me...no longer driven by lust i saw people (WIFE) in a new light and the changes in the way we relate to each other was quick and vast....this is perhaps what i owe GYE the most for....

i dont take myself too seriously and i hope you dont either....

what 10 days? one day at a time...and btw, youre less than two weeks from vesting the first \$90 to gye...keep it up, habib...i know you can do it...and please please please dont make me fast again...

Please Habib, I get hungry just thinking about Rage fasting!

And, the \$90 to GYE will likely save several Neshamos . . .

no, man, thats the game they play...they make you think its you...its not you its them...they made poor trying think that she can watch that sh** and be so "engrossed in the plot" that she does not even realize shes gettin played...then she cant figure out why shes falling every monday and thursday...the plot is a red herring, dont you see....its subliminal...they suck your blood every day and you dont even realize it until one day you just pass out because youre completely drained....

so why aren't my friends addicted?

it's me. maybe for the guys it's different

[Rage ATM wrote on 02 Dec 2009 23:19:](#)

i saw two friends fall today and it made me...urrrggggggg...only because it hurts me to see these people that i care about, who have put on such a brave and sincere fight get taken down by the vileness...and seeing them hurt so much...i know these guys here will find a way to do this because there is no other option...i cant write today in fcc approved terms...keep typing and editing myself and deleting posts...im raging...what can i say?...nothing today i guess.....

my friends, we will defeat this...if it takes everything we have....

thank god for habib...

and seriously now...

i told you all rage is this little guy in my head, right?

well, he don't let fall.

his newest tactic is in my thread...

I fasted today. It's nice just to get the focus off the physical elements of life, if only for a short amount of time. I should do it more often; I'd lose a nice amount of weight :D
