

Still Raging Against The Machine

Posted by Cry2Tatty - 30 Nov 2009 01:17

so thats pretty much the deal...i showed up here one day by accident and saw something weird...here were all these jews that where putting up a genuine resistance to the evil empire that is lust...in all my wanderings ive seen some crazy crap but something like this? not at all...i saw two dozen frum blogs but alas, they too were contaminated by the lust assault..poor figures...nothing more than drones following the creed that larry flynt recieved himself on Mount Sinai...disguised as frum sites but nothing of the sort, really....did i find any voices that said, "look, this sh** aint right..."...probably but a quick peruse through and i discovered that they were either out of touch with reality or just plain silly...and then i bumped into this site...and here was real and GENUINE and honest solutions....so i came...i looked around...marveled at all the flakes that took up residency here....

well, im now on at least 20 days of no pr0n and no bating...which is a miracle...its been years and years before i came here that i wasnt able to pull 5 days together and many many months where i stopped even trying....i dont know what happened but the group support and the genuineness of the good folks here and hearing their experiences and lo and behold i am a changed man...

the changes were not only in me but perhaps even greater in the people around me...no longer driven by lust i saw people (WIFE) in a new light and the changes in the way we relate to each other was quick and vast....this is perhaps what i owe GYE the most for....

i dont take myself too seriously and i hope you dont either....

I've tested myself, my kanaus is genuine. i actualy take offence, and am geuinely repulsed or shocked by the things i take issue about. You think it's easy seeing yidden driving on shabbos, true i don't cry, but I can't keep a strait face. It hurts (but not enough).

No i stand my ground, now more than b4. i know the girls have essentially no website of their own, but they got to keep to tznus. I'm serious. Even if it makes the site loose some of it's

therapeutic benefit. No she is not your sister, and you are not her brother. And even if you where, adopted siblings also have to keep to hilchos yichud (i know about the igros moshe's heter, I learnt the sugya also halacha lema'aseh). I know everyone is cracking wise cracks all over the site. but You all know that this IS a VALID point, the only room for opinions is where to apply it.

If rage can agree with me about this, or at least 'put-up the white flag'. I don't see how anyone else won't. I mean he's RAGE!!

All right. I don't know what was said since I was offline last night.

But, I can guess from whatever posts remain.

Shemirateinayim, I also had problems "chatting" with the girls on this site, and I banned girls from posting on my thread for a long time. Then I started recovering and see them as my sisters, sisters in recovery.

I find one "sister" in particular to be very serious and responsible with what she writes, and her
(. OMG! I just winked at a
girl! AAAAAAAHHHHHH! ;D

But seriously, if you aren't comfortable chatting with girls, that's OKey-Dokey, just ask them not to post on your thread. By why make them feel like they can't post anywhere but on their own space?

she didn't leave, she 'went undercover' . And i'm genuinely scared that mybe she is doing the wrong thing. On the slim chance that doing so is the best thing for her (I don't know her level of ruchnius, hashkafos, nissyonos, or her personality) I hope it accomplishes whatever she wants it to. But I'm pretty shure i'm gonna burn one day for causing her to leave. Yes I'm scared.

habib says it's not just cuz of you. it's a buildup of many months of off the forum discussion and debate. it was pushed by quite a few of the guys over the past few months and each time

me/trying hada convince her not to leave. you were just the last straw and she won't listen to our begging anymore.

Don't you see, guys, she only wanted to do the right thing. she and the rest of us really try our best and remind each other all the time off the forum to watch our boundaries and never write what triggers us (unlike the men). we try to be very neutral while at the same time being friendly enough that we could get/give chizuk.

we don't want to trigger anyone and are CERTAINLY NOT FLIRTING. frankly, i'm a bit hurt that you'd think that about us.

kol tuv, sa. i hope you recover and find inner peace and happiness.

I think Habib is taking this to an extreme. She is such a tzadeikes and having her on the forum was always such a blessing for us all. I will be personally hurt and sad if she leaves.

And anyway, if she is really so determined to leave, why not at least stay on the women's forum?

as already said, i miss habib TONZ and i wish she wouldnt leave. but i guess she thought of it for a long time. i know that. and she said shes gonna check in in 2 weeks. if she sees that she cant without us, or realize that we cant without her, she still can stay right?

Diamond has a unique voice and is very insightful about many things. I know she realizes what she has gained from this site but I do not think she realizes what she contributes and to what extent. There is a lot inside this particular neshomah. In a certain sense, Diamond is X of "Curtain" in the reverse. And deep down, she knows what I am talking about. It's a very lonely gift and great privilege. I am honored to have seen some of the light of this Diamond.

Diamond will do as she feels necessary, and I will back her all the way. Right Habib?
