

Still Raging Against The Machine

Posted by Cry2Tatty - 30 Nov 2009 01:17

so thats pretty much the deal...i showed up here one day by accident and saw something weird...here were all these jews that where putting up a genuine resistance to the evil empire that is lust...in all my wanderings ive seen some crazy crap but something like this? not at all...i saw two dozen frum blogs but alas, they too were contaminated by the lust assault..poor figures...nothing more than drones following the creed that larry flynt recieved himself on Mount Sinai...disguised as frum sites but nothing of the sort, really....did i find any voices that said, "look, this sh** aint right..."...probably but a quick peruse through and i discovered that they were either out of touch with reality or just plain silly...and then i bumped into this site...and here was real and GENUINE and honest solutions....so i came...i looked around...marveled at all the flakes that took up residency here....

well, im now on at least 20 days of no pr0n and no bating...which is a miracle...its been years and years before i came here that i wasnt able to pull 5 days together and many many months where i stopped even trying....i dont know what happened but the group support and the genuineness of the good folks here and hearing their experiences and lo and behold i am a changed man...

the changes were not only in me but perhaps even greater in the people around me...no longer driven by lust i saw people (WIFE) in a new light and the changes in the way we relate to each other was quick and vast....this is perhaps what i owe GYE the most for....

i dont take myself too seriously and i hope you dont either....

Habib,

This break you are taking proves to us what a valiant and courageous seeker of emes you are.
G-d Bless you.

May Hashem guide you at every moment to find inner peace and security, knowing how special you are in all our eyes and in His. You have come a long way, you have risen from someone coming for chizuk to a glowing diamond that gives so much chizuk to others.

We believe in you, and we daven for you daily to stay strong wherever you go. You deserve to have the space you need. And when you are ready to return, it will be on your terms, and your friends, your REAL sisters and brothers, will be there to greet you with open arms, and a little nosh & L'Chaim!

Does Sushi even GO with Woodford?

Your "old" fan,

Steve.

Oops, looks like I was wrong, but not because Habib didn't want to come back.

Rage, you OK? You're kind of quiet today.

Maybe because his precious habib can't post here anymore.

Rage, don't get so melodramatic. She'll be back sooner than you think.

Bruce, that wasn't nice.

You don't kick a man when he's down.

A friend is a friend, is a part of your soul, not a toy you were playing with to make yourself feel good.

Now be a good boy and apologize to Rage.

Fine.

I have mixed feelings about this whole separation thing.

And some of that may have been my withdrawal speaking. I'm about to crack 30 for the first time ever and my brain is about to explode.
