

Still Raging Against The Machine

so thats pretty much the deal...i showed up here one day by accident and saw something weird...here were all these jews that where putting up a genuine resistance to the evil empire that is lust...in all my wanderings ive seen some crazy crap but something like this? not at all...i saw two dozen frum blogs but alas, they too were contaminated by the lust assault..poor figures...nothing more than drones following the creed that larry flynt recieved himself on Mount Sinai...disguised as frum sites but nothing of the sort, really....did i find any voices that said, "look, this sh\*\* aint right..."...probably but a quick peruse through and i discovered that they were either out of touch with reality or just plain silly...and then i bumped into this site...and here was real and GENUINE and honest solutions....so i came...i looked around...marveled at all the flakes that took up residency here....

well, im now on at least 20 days of no pr0n and no bating...which is a miracle...its been years and years before i came here that i wasnt able to pull 5 days together and many many months where i stopped even trying....i dont know what happened but the group support and the genuineness of the good folks here and hearing their experiences and lo and behold i am a changed man...

the changes were not only in me but perhaps even greater in the people around me...no longer driven by lust i saw people (WIFE) in a new light and the changes in the way we relate to each other was quick and vast....this is perhaps what i owe GYE the most for....

i dont take myself too seriously and i hope you dont either....

this isn't a hesped .....

They merely "moved on to a better place"

and "they are no longer with us"

They are "with hashem"

And the time has come for them to "move on"

but you don't have to sit shiva, truthfully they would "be happier" of you got out and did something, yknow exercise? fresh air? strnading under our worlds largest incandescent bulb (the sun)?

I apologize in advance if someone or they take offense to my morbid sense of humor. But running a chavra kadisha can do that to a person.

hospital air, and underground tunnels which connect departments.

Ever try inhaling 100% Oxygen and holding your breath? I don't have the guts,

so my whole life, ive put women into two categories: those i think are hot and therefore exist and those that dont exist...then i came here and whats this? human females that i dont lust after and so totally exist...habib, trying, letakain, 7up (and to a lesser extent the newer ones) exist so much...such an important part of my life...my lifeline in many ways...so i miss them all.

So that's what I was feeling....

Well said.

My whole life Ive put men into two catagories - those I think can unblock the sink, figure out where that loose wire aught to fit, pick up their own socks etc - and therefore exist,

and those that cant even figure out that dirty cups belong in that blocked sink.... and therefore dont exist...

~~Mom who gave you a right to come on our side of the forum and curse us out??~~ >

My son came home one day from yeshiva singing

"BLACK SOCKS:

THEY NEVER NEED WASHING!

THE LONGER YOU WEAR THEM,

THE BLACKER THEY GET!!"

I don't know WHAT they're teaching them in Yeshivos these days, but if I'm paying tuition for sons that don't exist...

Then there is always the Rebbe who wants to tame his High School students so he pulls out the 98% stuff, and dares all his students to be as tough as they act... I fell for it one year.. and lemme tell you, that stuff can make hair grow on your tongue!!!

Rage, we're all here cuz we're all not there....

PS Bardy, strangely, no mention of Basil H? Pappy? Stagg? Grandpa's Bathtub Special Reserve?
