

Still Raging Against The Machine

Posted by Cry2Tatty - 30 Nov 2009 01:17

so thats pretty much the deal...i showed up here one day by accident and saw something weird...here were all these jews that where putting up a genuine resistance to the evil empire that is lust...in all my wanderings ive seen some crazy crap but something like this? not at all...i saw two dozen frum blogs but alas, they too were contaminated by the lust assault..poor figures...nothing more than drones following the creed that larry flynt recieved himself on Mount Sinai...disguised as frum sites but nothing of the sort, really....did i find any voices that said, "look, this sh** aint right..."...probably but a quick peruse through and i discovered that they were either out of touch with reality or just plain silly...and then i bumped into this site...and here was real and GENUINE and honest solutions....so i came...i looked around...marveled at all the flakes that took up residency here....

well, im now on at least 20 days of no pr0n and no bating...which is a miracle...its been years and years before i came here that i wasnt able to pull 5 days together and many many months where i stopped even trying....i dont know what happened but the group support and the genuineness of the good folks here and hearing their experiences and lo and behold i am a changed man...

the changes were not only in me but perhaps even greater in the people around me...no longer driven by lust i saw people (WIFE) in a new light and the changes in the way we relate to each other was quick and vast....this is perhaps what i owe GYE the most for....

i dont take myself too seriously and i hope you dont either....

thanks sci dude...its actually now 15...15 days i could not have done without the support of this here group of warriors...so i was having a conversation with someone from the forum...here is how the it went...i said "i believe in you" then he said "i believe in me in short spurts but not for the long haul"...it then occurred to me that we are in total agreement...because there is no long haul...in fact "tomorrow" is a word we use to describe a fiction...something that is not real and is not there...tomorrow is no more real than July 27, 2306 is real...all we have is today and now and that is all we can work at...and if day 1 is a miracle from hashem then so is day 56...and if day 135 is hard, it is no harder than day 2...the only thing we can work on is the only thing we have in our hands....today...NOW...thats the only thing you can work on...and if you believe you can work on yourself NOW and stay clean this second and this minute then you believe in yourself...

" One day at a time". A very commenly quoted phrase here on the forum, but very little understanding in what it really means!! At least we have some people that can explain to us what it is really all about!
