Still Raging Against The Machine
Posted by Cry2Tatty - 30 Nov 2009 01:17

so thats pretty much the deal...i showed up here one day by accident and saw something weird...here were all these jews that where putting up a genuine resistance to the evil empire that is lust...in all my wanderings ive seen some crazy crap but something like this? not at all...i saw two dozen frum blogs but alas, they too were contaminated by the lust assult..poor figures...nothing more than drones following the creed that larry flynt recieved himself on Mount Sinai...disguised as frum sites but nothing of the sort, really....did i find any voices that said, "look, this sh** aint right..."...probably but a quick peruse through and i discovered that they were either out of touch with reality or just plain silly...and then i bumped into this site...and here was real and GENUINE and honest solutions....so i came...i looked around...marveled at all the flakes that took up residency here....

well, im now on at least 20 days of no pr0n and no bating...which is a miracle...its been years and years before i came here that i wasnt able to pull 5 days together and many many months where i stopped even trying....i dont know what happened but the group support and the genuineness of the good folks here and hearing their experiences and lo and behold i am a changed man...

the changes were not only in me but perhaps even greater in the people around me...no longer driven by lust i saw people (WIFE) in a new light and the changes in the way we relate to each other was quick and vast....this is perhaps what i owe GYE the most for....

i dont take myself too seriously and i hope you dont either....

world is still here to take care of me. I think I want to plant these words so that next time the Y'H tries to have a little "fun" at my expense, I'll know just where to go for reinforcement.

Briut, this was *very* deep, to me. We should all have these seedlings. My comforting seedling was *lust* for way, way, too long...yours sound a lot healthier. We *all* need nechama and menucha. Thanks.

Thanks for that,

"thanks for that" is dovish for "wtf are you talking about" and then i realized why:

Rage, you make me laugh so hard (that I won't say what happens)! And iut loud! Thanks. You know, it's only you and bards who do that to me. Even though you still seem like 'bipolar opposites' to me. Ha.

That it just makes no difference to try

Funny, just yesterday we had a daily dose of dov in the chizuk e-mail that said the same thing. And I quote: "I can share with you that there are times when our "trying" is just not enough, no matter how you slice it."

Instead, he suggests "Trusting harder" instead of "Trying harder" :D ...Check it out... It's a

I also just want to throw in my 2 cents. We all know that success is not in **our** hands. Trying *is* though. Who said G-d wants you to succeed to have long streaks? Maybe he wants to see if you'll keep trying in spite of losing it every once in a while? Our business is only the NOW.... And the "trying" does add up. When we're ready, and only G-d knows that, we'll look back and find that the days we managed to stayed clean added up to a clean streak of 10 years! But for now, there's no looking back, nor looking forward. How are you doing **right now**? That's all Hashem wants to know:D

Oh, and one last thing. The handbook suggests progressively more intense tools, if what we've been trying till now hasn't worked. So you've tried the forum... what's next to try? After all, we gotta heal from this disease before it kills us. If Tylenol is not helping, maybe we need anti-biotics... maybe even chemo. Are you willing to give it your all and fulfill what you came down to this world to do? It's only 120 years here, and it's eternity there. Eternity is, like, forever. you

Take it from ol' pickle-face, here... remember the YH is trying to trip you up so that you'll give up your resolve.... DON'T GIVE IN TO HIM!! **KAVEI EL HASHEM!!** - first trust Him and ask Him to give you the strength to fight your battle. you are NOT ALONE!!! Then, Chazak V'Ameitz Leibecha - strengthen yourself, and fortify your own heart - this is your hishtadlus, YOUR part. THE SUCCESS IS NOT IN YOUR HANDS. ONLY THE FIGHT IS! Then, V'Kavei El Hashem - wait, didn't I do that already? - NO!!! This second time is AFTER my hishtadlus, I add on MORE trust in Hashem - on TWO fronts: One, To actually make my fight successful!! Two, AGAIN to ask for more strength to fight, not to rest on my laurels. I think a BIG thing to do is each night, before going to bed, is to make an accounting of the

whole day, on a positive note, and THANK HASHEM FOR ANY LITTLE SUCCESS, NO MATTER HOW SHORT LIVED. Don't go to bed depressed, rather happy with the fight and the successes you had. Focusing on the positive makes it easier to repeat it the next day, and to add to it.

Hang in there, my friends!!

A good vort that will be useful many times durin' the day.
