

Still Raging Against The Machine

Posted by Cry2Tatty - 30 Nov 2009 01:17

so thats pretty much the deal...i showed up here one day by accident and saw something weird...here were all these jews that where putting up a genuine resistance to the evil empire that is lust...in all my wanderings ive seen some crazy crap but something like this? not at all...i saw two dozen frum blogs but alas, they too were contaminated by the lust assault..poor figures...nothing more than drones following the creed that larry flynt recieved himself on Mount Sinai...disguised as frum sites but nothing of the sort, really....did i find any voices that said, "look, this sh** aint right..."...probably but a quick peruse through and i discovered that they were either out of touch with reality or just plain silly...and then i bumped into this site...and here was real and GENUINE and honest solutions....so i came...i looked around...marveled at all the flakes that took up residency here....

well, im now on at least 20 days of no pr0n and no bating...which is a miracle...its been years and years before i came here that i wasnt able to pull 5 days together and many many months where i stopped even trying....i dont know what happened but the group support and the genuineness of the good folks here and hearing their experiences and lo and behold i am a changed man...

the changes were not only in me but perhaps even greater in the people around me...no longer driven by lust i saw people (WIFE) in a new light and the changes in the way we relate to each other was quick and vast....this is perhaps what i owe GYE the most for....

i dont take myself too seriously and i hope you dont either....

That's exactly it, Rage! There's a world around us full of people doing stupid things, and we have to rise above it and be better than that. That's kinda our role as jews in general, but I think this is an area which stands out in particular.

One thing I don't understand, though - resources? What do resources have to do with someone

doing the wrong thing?

To make matters worse, the guy on the radio is wrong, Wrong, WRONG! He's trying to say that it's "normal," that it's OK, because everyone's the same way, and therefore, anyone doing that should feel alright with themselves, it's not such a terrible thing. And that's awful! That's like a bunch of murderers comforting each other, and saying that "it's OK, everyone's doing it!" Or a bunch of jews with sex problems patting each other on the back and telling each other that what they're doing is "normal," and that THEY know what the "right" way to be a jew is, etc. And I think it was one of your earlier posts that pointed out that, unfortunately, there are jewish groups like that.

We ARE the light...like a lighthouse sends a beacon to a sailor lost at sea...

And I love your mashal - because yes, a few bags of sand *can* hold back the sea!

Hey, Batman - I think this is actually the opposite of our president. He says "change you can believe in" - that means he's doing change, and he expects us to believe it.

Rage is saying that he can achieve the things he wants, because HE's willing to put in the effort. And he's looking around, and letting us know that he sees how strong we all are, and he has confidence in us.

that's such a depressing song... (i learned that whenever you say anything really crazy, you're
google is a good friend of mine)

I'm so so so confused... you must have amnesia or something, cuz you wrote my name too
many times... but it's ok, you're probably just really tired.

and i also realized there's less rage to you. not in a bad way, it's all there somewhere, but you
just let it out in a calmer way. been meaning to tell you that.

so the question i was left with was: is it the pureness of your souls that caused you to become
addicts or is it the addiction and its recovery that caused your pureness...i go against the grain
once again and think its the former...

i don't think that's so much against the grain. i think R' Guard wrote somewhere that people with

i wish i can do this all day...i hate my greedy cheatin clients and i am a little happy when i lose sometimes....there i said it...

Rage, I predict that one day you'll dump being a lawyer and become a therapist (for GYE, of-course, but real certified!)... Klal Yisrael needs guys like you in this revolution. They don't need another lawyer. (Trust me. :D)

im sorry but i totally beat...habib, tomorrow we hit level 4...if you wanna know the effect the youve had on me, 7up recently told me "your sincerity without the rage is so obvious. You really are becoming a new person, arent you?!"...hopefully the rage will always be there but the changes for the positive are all thanks to you, habib....and, by extension, guard...i was reading something a haredi guy wrote about the shteinzaltz sanhedrin...the hareidi guy was calling the sanhedrin crazy and embarassing...thought i: "said the kettle to the pot"...i was thinkin, "a plague on both your houses...and then i was embarassed to be a religious jew...weve been given so much to be proud of and we wreck it for so little...well then i thought of guard...what a pearl...what a tzaddik...its almost as if the guy fell from Krypton as Kal El....and it was guard and his little banditos here that made me proud to be an orthodox jew again....pure jews....i aspire to be like habib and tomim and silentbattle and habib and IT25 and trying and uri and habib and kanesher and kedusha and dov and bards and ultimately like guard...so the question i was left with was: is it the pureness of your souls that caused you to becomes addicts or is it the addiction and its recovery that caused your pureness...i go against the grain once again and think its the former...

30 days...one third of the way there...and where have you gone my blue eyed son?....

I would like to know who wrote this post?? No way it was rage!! The only thing it could of been was his heart talking!!! Wow Devarim Hayotzim Min Halev..... Your killing me bro! Dont make me cry. Im embarressed of the ladies. Watching whay your doing and reading what your
