

sci1977 journey

Posted by sci1977 - 30 Nov 2009 15:50

I started on November 23rd on my 90 days online. I have been clean since the 19th. I am feeling a little scared today. I woke up and said this is going to be another great day that G-d gave me. It has been a tough day so far. I decided to log onto the website and not get off. After reading some and looking back at emails, I am feeling better, but am not going to chance it. No slips or falls. I will NOT give up!!!!

Day 75 of being clean and sober. It's been a pretty good day so far. Really not much to report. No slips or falls, non wanted or needed. I think I am "wrote out" from the good bye letter in my other thread. Thank you all at GYE, my wife, and G-d for everything.

I think we need to get to work on figuring out how to work this chocolate cake, considering all the diverse locations it's got to reach!

Keep on trucking, bro!

Got lots of minutes and hours. I still have to keep it simple and not get far ahead. But, if I do get there, we will figure out the cake thing. Lets just truck on.

Today is day 76 of being clean and sober. Today is a great day and today is most importantly a wonderful day that G-d has given me. I continue to try and improve myself and work on marriage. Not much to report on me, I seem to be doing really well at taking it very slow and simple. No slips or falls, non needed or wanted.

thanks SB, baby steps. Can't get anywhere until you know how to walk. For us we need to crawl and then baby steps.

Thanks for stopping by. Sometimes I feel like I crawl and sometimes I feel like I get up and take a step or two. All I know is if we leave it to G-d and take it slow we will improve ourselves.
