

Starting a 90 day journey

Posted by ManWhoStumbles - 20 Feb 2018 21:21

Hi everyone! I am starting a 90 day journey and will try to post about my status every day. Right now, I'm constantly failing and haven't ever broke the ten day barrier within the last year and a half. Hopefully, by reading the handbook, and wasting less time, I will finally be able reach 90 days.

Weekly Update (week ending Feb 25): Started journey, read a lot of tehillim. I hope to maintain my streak, and also break my football addiction.

I wish the absolute best of luck!

By the grace of God, I am sober 989 days today - one day at a time. one day at a time. one day

at a time.
