MZL on the 90-day highway

_____

Day 9.

I think I need to make myself at home in the 90-day topic.

Today I'm really upset because my wife is shopping all day again and I'm watching the kids.

I ate way too much, it's the only thing I could think about to do something nice for myself. Pathetic, I guess.

Does G-d really deserve me living next to her and not even masturbate? The worst part is that I have annihilated most of my desires so the thought of masturbating is like watching paint dry.

I guess tomorrow will be better. It's already 3:53 pm.

You had vexed me a little with your hex. So I had to raise my base desires 64 levels.

Here is the text decoded in to english.

Thank you. The same to you.

No, no updates. I tried to report to GYE that I was still clean but it didn't let me because it said I already got to 90. I looked everywhere but no luck. So I put my clean date in my signature for now.
