

I AM HIGHER THAN ALL THIS!!!

Posted by higher - 01 May 2019 14:39

High!

I have been on and off/lurking/etc... this site for a while. ive been struggling with erotic audio, erotic reading material, and looking for inappropriate websites, occasional mb but no p. (one exception when there was a really bad break in the filter but i only saw muted previews bh) either way i wanna quit all this garbage! this is really not ME. this stuff is fueled by being starved for intimacy and my wife is disgusted by it. in addition, there are heavy duty shalom bayis issues. so since i feel starved, its hard for me not to act out...i am working on the last two issues and iyh things will improve. for now, i feel like i can use the chizzuk as well as accountability that a thread like this can give me. thus begins my 90 day program. awaiting the gye's welcoming committee's response...

Hey Higher!

I hope everything is going well and you can count #10 and continue to count day by day.

It should give you chizzuk that we are in a zman of counting and while the numbers are slightly off, the whole klal Yisroel is counting along with you! all the way to our marriage with Hashem!

i see that no one responded to my post above.

so i could say that no one really cares (cud be half true)

i could also say that people have lives outside of my posts on gye. (probably fully true-i hope anyways)

anyway, no slips for today but boy am i angry and frustrated and even sad for good reason.

No life for this dude here, so I'll weigh in. Of course a healthy sex drive is a normal thing which. However, nothing will happen if you don't act on these natural urges. I find that when I convince myself that I need some amount of sex in my life , it's much harder for me because I feel

didnt "fall" but no good...

so...i was involved in very slippery behavior again...

kinda hard when ya feel starved...not excusing myself just looking for support/help.

No life for this dude here, so I'll weigh in. Of course a healthy sex drive is a normal thing which. However, nothing will happen if you don't act on these natural urges. amou **I find that when I convince myself that I need some nt of sex in my life** , it's much harder for me

i believe this yid (thats an assumption, i know) means well and thats why im responding to the points i put in bold.

1. not sure what you mean by me not having a life but i guess i should just keep quiet on things i have no clue about. i guess you meant to say that im in alot of pain, correct?

2. i never **convinced** myself that i **need** sex. i have, to quote an observant jew, (darn assumption but what can i do), "a healthy sex drive" which is a "normal" thing. so it hurts when im in a locked up situation where i am deprived of a normal urge when it technically is permissible for me etc. etc. coupled with the regular shmiras einayim nisyonos and hard to hope for an outlet. (shomer atzmi min hacheit type of thing).

as a side note, thanks for reaching out and all well meant feedback is appreciated.

a nice vort!

the skulener rebbe (rav eliezer zussia portugal zy"a) when he was in prison in russia, tried as he could to daven. once he contemplated the words in baruch she'amar-"boruch gozer umikayem".

gozer is a loshon of din- pain etc. even if its something that need be, why are we praising "umikayem", that Hashem actually carries out the din?

he was inspired to say-umkayem means that even if Hashem sends a yid a tzarah and it necessary- "umikayem", He gives the yid koach to withstand the nisayon.

?isnt this beautiful???

No slip for today ? So this is a good day in final

Especially if there are good reasons to fall (as sadness) and it didn't happen

This is clear from the WhiteBook AyinSham

good point.

dunno how to say this but sometimes for some people in some situations (deep breath) its not practical to talk on the phone.

sometimes you only know a person through chat and hes not on and you need chizzuk NOW.

sometimes i find certain people difficult to talk to on the phone and easier to talk through to chat and the forums.

and i HAVE gotten support through chat and the forums in the past.

Warning: Spoiler!

big time (sometimes
