

Six days and counting

Well, B"H I've been clean for six days, almost up to Level 3!

Yesterday I was able to overcome another *taavah* and remove another time-waster from my laptop. Now I have more time for Torah learning and introspection.

B"H for GYE. May you continue with *Siata d'Shmaya* and *hatzlacha rabba* to help *Yidden* everywhere stay clean and holy!
