Giving it another shot

Hi! I have been coming to gye for about a year and a half but this is my 1st post on the forums.

Last year I had a clean streak of 183 days but then I fell and since then I have been up and down with smaller clean streaks and less acting out in between.

Recently though I have been falling too often so I decided even though it's difficult for me I will start a thread to hold myself more accountable.

You're inspiring. I know you're likely going through some hell-like moments, I have them too. I'm really taken back by the level of your resolve after falling from a 180+ streak of clean days...you got back up. I've struggled in this area since I was around 14. I've always told Hashem that I no matter what I will never stop fighting.

you're a true inspiration. I don't know if that helps you at all but for me it helps to know that I'm being a good ????? into the world, you definitely are.

Thank you so much Aaron!

1st of all I have come to realize the only way to really live is to get rid of lust from my life, so for me this is a battle of life or death.

For a long time I was scared to post eventually what really pushed me to where 2 things

1. I wanted to be mechayev myself, when I post I feel I need to keep to it. This has kept me going if not for posting I wouldn't be at 36 days right now. (and my life would be hell right now)

| 2. I want to be an inspiration the same way I have been inspired by so many other guys that are active on the forums.                 |

| Hi all here's a little update.  |
| I am at 36 days now but been slipping up and wasting too much time & I need to right this ship now before it sinks so here's the plan |
| For the next 5 days I will BI"n   |
| 1. post everyday  |
| 2. Before I go to sleep I will make small goals for the next day  |
| 3. Exercise for a minimum of 5 minutes  |
| 4. Learn something that interests me for at least 5 minutes   |
| 5. Celebrate in a small way each clean day  |
| Ps. I started this off with a 30 minute workout and I'm feeling good about this!  |
| Hatzlacha to all!   |

Making small goals last night for today really helped me wake up this morning with more purpose and focused on what I need to do. I'm looking for suggestions for small ways to celebrate a clean day? Good shabbos & hatzlacha to all! Anothershot Re: Giving it another shot Posted by Lou - 05 Feb 2021 17:56 anothershot wrote on 05 Feb 2021 17:49: 37 days going strong!! | It really depends on the person, but a small treat or special drink can do the trick. |  |  |  |

| 43!   |
| Thank you Hashem for making me crazy busy today so there was pashut no time to lust!!                                       |
| The lesson that I learn from days like today is that if I start lusting I need to get busy doing something meaningful ASAP. |
