Giving it another shot Posted by anothershot - 01 Jan 2021 06:18
Hi! I have been coming to gye for about a year and a half but this is my 1st post on the forums.
Last year I had a clean streak of 183 days but then I fell and since then I have been up and down with smaller clean streaks and less acting out in between.
Recently though I have been falling too often so I decided even though it's difficult for me I will start a thread to hold myself more accountable.

It's really interesting my yh hasn't been bothering me too much recently.
All of a sudden I hit 50 days and I feel good about the accomplishment and what do you know I got a nasty unwanted visitor very early this morning
yh: good morning Tzadik! you did it! you made it to 50 days! you're amazing!
Now you can masturbate because who cares you achieved so much already, just have a good time you earned it!
So you will have to reset the chart nu nu you'll do this again
Me: I've heard this shpiel from you too many times already
1. I am enjoying life being free of needing the porn & masturbation pacifier.
2. I know that it's 2 minutes of pleasure followed by days of pain.
So get the hell away from me & let me sleep!

Ps. I slept really well after that!
Hatzlacha to all!

I'm having some urges this morning to go watch porn
Me before GYE: OK I'll go watch it'll be good!

Me now: this is crazy!! because of a fleeting thought I'm going to run after a fleeting pleasure that will literally end the second that I'm done only to be replaced with horror, disgust, pain, shame, & regret!

NO #@&*+~\$ WAY!

Also now I know that it's OK the best to ignore the thought & keep moving on!

Another game changer for me is that I'm starting the fight much earlier on before I get consumed with lust this is a much easier battle to win!

Today I had a prolonged nisayon with many opportunities to be misgaber on my yetzer & not look.

I succeeded numerous times!

the good news is that although I didn't do as well as I could've I'm not going to let this go further. The old me would've let the lust run out of control & would've definitely fallen to porn or masturbation but not this new guy!

The good:
1. I made it to 55 days which is the longest streak since my last streak ended last pesach!
2. I was having very strong taavahs last night but I still pushed off the fall for a few hours!
3. I am not staying down I'm jumping right back into the battle!
4. I have grown so much & learned so much during this stretch that will continue to help me!
5. I didn't lose those days that I was clean!
Takeaways: Unfortunately I fell late last night
Time to upgrade current filters & filter any unfiltered devices
2. I need to get better "in the street"
3. I need to stop watching on YouTube, Facebook and Instagram
4. I need to learn more in my free time
My goals:
Short-term - hit the "I am clean" hutton tomorrow night

GYE - Guard Your Eyes Generated: 21 August, 2025, 15:32 Mid term goal - Be clean for 56 days Long term goal - be clean for life Hatzlacha to all!
