

Lets get this party started

Posted by ?????? - 09 Feb 2021 22:33

I just joined on GYE a few days ago and I'm so excited to be starting the 90 day journey! I'm clean since last Thursday when I signed up for gye b"n. I don't know how long I'll be able to last, but with the help of everyone here and I also installed the KBA webchaver filter on my phone so already I feel like I have the advantage over my yetzer hara. I know it's definitely possible bc in the last year my longest streak was ~105 days, but I was in a place rooming with 8 other people and no internet so even if I wanted to be nichshal, it was very hard. Anyways wish me luck my friends and of course a tremendous "Hatzlocha rabbah" to all of you as well!

Wassup heilige yidden?

BH doing so well. Gonna go on a rant now so now's your chance to turn around if you don't want to spend the next few minutes reading someone else's life lol.

Im actually on a road trip with my fam in Utah of all places. Now there's a couple big nisyonos that are unique to this trip for me.

1. Tourists are the most pritzusdike people ever! If only the goyishe olam could pick up some fashion tips from the amazing frum tzniusdike women. Halevai...
2. I'm staying in a hotel room by myself. L'maiseh I know it is basically assur to do this but it's just my parents and me on the trip. They're staying in one room and me in another. Maybe I could share with my father. I'll see how tonight goes.

Also, as I had predicted, the filter on my pc is not only a lifesaver in regards to shmiras einayim online but also with productivity.

Rabbosai, you wanna have true kavana every time you daven from now on? So think that every single tefilah you say could be your last. And don't just have it in the back of your mind- have in mind that you could literally get into a car crash c"v and be in shomayim in half an hour, or you could have a heart attack c"v, or if you live in NY with Cuomo (aka the malach hamavis) you're probably already dead... you get the picture. Think when you go into shacharis, "What if this is

the last shemoneh esrei I ever say in this world? If I am niftar today, do I wanna greet G-d in shomayim and regret I didnt daven to Him b'kavana this morning?" Just something I've been trying out and thought I could share this nice mussar with the chevra here. Lmk if anyone tries it out and how it works for you pls.

So I'm at 6 days clean now BH.

Had a weird night. Had another wet dream but I don't think I finished the orgasm bc when I woke up I was still extremely aroused to the point where it was almost painful. That was a big nisayon to deal with.

BH even me staying in a hotel room alone these past few nights (which is usually a colossal trigger for me to mb) has not rilly been a problem; I have not yet looked at shmutz or masturbated while in the hotel room. BezH it'll stay that way.

Also started reading The Battle of the Generation book over shabbos. So much chizuk to chap even from just the first 2 chapters. 10/10 would recommend

Update on day 9

Overcame a huge test last night. C"v I don't want to trigger anyone but I feel it's an interesting point to share. So basically, I've been on a road trip for the past week and BH until last night I had not watched any TV in my hotel room. But last night, I was feeling a little bored and wanted to see if there was anything good on (wtvr that is nowadays) so decided to check out the TV. As soon as I turn it on, it comes up with a menu and one of the options was "adult movies". I was able to resist looking at that for a while but eventually I caved and decided to explore their shmutz selection. Was very tempted to watch, not gonna lie, and it even said whatever movie you choose will not be put on the room receipt. I honestly dont even know how I was able to overcome that urge (must've been some some divine neis). But it made me think that any child could turn on the TV, get curious when they see "adult movies", subsequently loose their innocence, and their parents wouldnt have a clue! Fortunately, there was no nudity on the movie covers. Also who would spend \$25 bucks on a movie that ruins their soul? As you can tell, I got some serious issues with that TV...

On a lighter note, I want to make a public Thank You Hashem. I've been having problems with my phone service as my carrier cut me off and screwed me over right after I upgraded my plan thru them- BUT somehow b'chasdei Hashem we were driving thru the middle of the desert and suddenly my service started working again! Thank You Hashem!

Anyways thats my diary entry for today lol, thanks for reading

Almost fell this morning. I won't get into details here but it was **very** close. BH somehow I stopped myself.

Also, I noticed lately I've been thinking a lot about what I want in a future wife. I know if I just continue in my avodas Hashem, He will provide me my bashert but I am just so excited for marriage...

On a separate note, a good friend introduced me to the kochos of perek 51 in Tehillim:

????????????? ?????????? ?????????? For the leader. A psalm of David,

????????????????? ?????? ?????????? ?????????????????? ?????????????????? when Nathan the prophet came to him after he had come to Bathsheba.

????????? ?????????? ?????????????????? ?????????? ?????????????????? ?????? ?????????????? Have mercy upon me, O God, as befits Your faithfulness; in keeping with Your abundant compassion, blot out my transgressions.

???? [?????] ?????????????????? ?????????????????? ?????????????????? ?????????????????? Wash me thoroughly of my iniquity, and purify me of my sin;

????????????????? ?????? ?????? ?????????????????? ?????????? ?????????? for I recognize my transgressions, and am ever conscious of my sin.

????? ?????????????? ? ?????????????? ?????????????? ?????????????????? ?????????????????? ?????????????? Against You alone have I sinned, and done what is evil in Your sight; so You are just in Your sentence, and right in Your judgment.

????????????????? ?????????????????? ?????????????????? ?????????????????? ?????????? Indeed I was born with iniquity; with sin my mother conceived me.

????????????? ?????????????? ?????????????? ?????????????????? ?????????? ?????????????????? Indeed You desire truth about that which is hidden; teach me wisdom about secret things.

????????????????? ?????????????? ?????????????? ?????????????????? ?????????????????? ?????????????????? Purge me with hyssop till I am pure; wash me till I am whiter than snow.

????????????????? ?????????? ?????????????? ?????????????? ?????????? ?????????????? Let me hear tidings of joy and gladness; let the bones You have crushed exult.

????????? ?????????? ?????????? ?????????????????????? ???????? Hide Your face from my sins; blot out all my iniquities.

????? ???????? ?????????????? ?????????? ?????????? ?????????? ?????????? ?????????????????? Fashion a pure heart for me, O God; create in me a steadfast spirit.

????????????????????? ?????????????????? ?????????? ?????????????????? ?????????????????? ?????????????????? Do not cast me out of Your presence, or take Your holy spirit away from me.

????????????? ?????? ?????????????? ?????????????? ?????????? ?????????????? ?????????????????? Let me again rejoice in Your help; let a vigorous spirit sustain me.

????????????????? ?????????????? ?????????????????? ?????????????????? ?????????? ?????????????????? I will teach transgressors Your ways, that sinners may return to You.

????????????????????? ?????????????? ? ?????????????????? ?????????? ?????????????????????? ?????????????????? ?????????????????? Save me from bloodguilt, O God, God, my deliverer, that I may sing forth Your beneficence.

????????? ?????????????? ?????????????? ?????????? ?????????????? ?????????????????????? O Lord, open my lips, and let my mouth declare Your praise.

?????? ? ?????????????????????? ???????? ?????????????????? ?????????? ?????? ?????????????? You do not want me to bring sacrifices; You do not desire burnt offerings;

????????????? ?????????????? ???????? ?????????????????????? ?????????????????????? ?????????????????? ?????????????????? True sacrifice to God is a contrite spirit; God, You will not despise a contrite and crushed heart.

????????????????? ?????????????????????? ?????????????????????? ?????????????????? ?????????? ?????????????????????? May it please You to make Zion prosper; rebuild the walls of Jerusalem.

????? ?????????????????? ?????????????????????? ?????????? ?????????????????? ?????? ?????????????? ?????????????????????? Then You will want sacrifices offered in righteousness, burnt and whole offerings; then bulls will be offered on Your altar.

I love how it includes the greatest form of teshuva- helping others do teshuva and find their way back to derech Hashem.

Hmm I have to think about it...

Putting aside the physical celebration; could you imagine how happy Hashem is!!??

He's looking down at you and just smiling!

That is what we are here in the world for; to fight nisyonos.

Wow you have such a huge zchus, I wish I could meet you and stand up for you!!

Could you share some details? Or is it going to be too triggering?

Keep it up,

HappyYid
