

OivedElokim-I'll never give up

**Day one.**

This is my brand new thread for my brand new journey towards purity.

I will keep with me the lessons learned so far and keep my eye on the ball.

Today is the first day of the rest of my life.

A porn and masturbation free life.

A life of positivity and happiness.

A life of Torah and Avodah.

The life G-d intends for me to live.

Wish me luck.

**Day four.**

Got home a few hours ago. I'm totally knocked out. Trying to learn a bit and then head to bed.

Clean

Trying to stay busy and helpful, without much success. Just sitting here in my room with blasting music. Not being a productive person today...

To be fair I peeled like 10 apples till I cut myself...

I'm feeling overwhelmed with all the people around me. It's like I'm an introvert or something. Just went on a half hour run. Was very refreshing. Gonna daven Mincha and prepare for ?????  
??? (and Pesach )

**Day nine.**

Wasn't in a great mood over Yom tov. Felt a bit overwhelmed with my whole family around. A bit of a rowdy bunch...

I considered falling several times but I didn't want to pay the price so I stayed clean.

Had a dream that I was watching a lot of porn last night. Woke up dry though...

Got up early today.

Learned my daily shiurim.

Davened with a minyan.

Went on a run.

A bit bored now, feeling mildly depressed...

I had a similar dream...must be something in the Matzah this year

**Day eleven**

The depression isn't going anywhere.

Seems like I'm going to have to deal with it my whole life. A pretty dismal prospect. Not looking forward to life...

Good night

Good night

The good news is that you only feel like this while you are depressed, the rest of your life you

In all seriousness, I really relate to the siblings coming will all their kids and taking over my house thing. I am seventh of a large family and my teen years were filled with coming home for Yom Tov to a house full of little (and not so little) kids running around and even going through my stuff. I would find all my precious things strewn all over the house.

Until....

I showed one of my nephews a BB bun that I had... He thought it was a real one. I told him that if he dares touch a thing, or even tell his parents...

But they still pour grape juice all over the table, and still throw my silver becher on the floor when ever they get a chance. They still think it's funny to throw salad at each other (with terrible aim so it usually ends up on my freshly pressed pants) and still eat up all the cake before I get a chance to taste it.

## **Day twelve**

Feeling better emotionally then I have been the whole week. Better times lie ahead.

I am just waiting for my kids to get a little older, they are probably going to be the same  
For the first seven days of Passover, we celebrate the spark of freedom within us.

On the eighth day, we celebrate that at any moment, we will break free.

**Day fifteen**

My issue is that I have terrible self esteem. I think that I am a fundamentally bad, incompetent and useless person.

Twerski's book "life's too short" helped me.

Hey your taking my lines.

Twerski's book "life's too short" helped me.

I would also recommend reading some books by Brene Brown. Daring Greatly and The Gifts of Imperfection were really eye opening.
