Kollel Guy's 90 Days

Posted by Kollel Guy - 21 Dec 2009 18:57

DAY ONE

OK, I feel like I should have done this on my 1st day, but I didn't. So here I am a few weeks in. I got over my fantasy of "Now that I'm part of GYE I'll never fall again" with a rather harsh way of being awakened. It's time to start down the path of real work, and real responsibility, and real kabolos ol.

So..... even though on my chart I'm at day 12 today, that's only according to the letter of the law. Meaning I didn't do anything which I wasn't allowed to do according to the rules. But in reality - it starts HERE. I know that today I really did mess up. I looked for it. Baruch H-shem for my filter (2 days old) - I didn't find it. But I looked for it, and that does count in shomayim.

I don't really know what it means to take help. I was always a 'do it yourself you baby' type of guy.
And yes guard, I'm well aware that I need an attitude shift. I just don't know where to shift it to.
And yeah, I realized what your saying yesterday when I read the chizuk email. Maybe I'll take do it.

Shkoyach guys

DAY 8

Today I got off to an awesome start. (That means i came to shacharis).

1st seder stank.

Tried to bust my filter by lunch *again*, feels so degrading afterwards, but when I think about what my post-fall feeling used to be like in my pre-filter days, I can't help but feel fortunate.

I'm not sure if I should still be counting, I think there should be a limit to how many slips you can have in separate days before their mitztaref and count as a fall.

But technically I didn't manage to see any **** so at least legally I can say I'm clean.

2nd seder stank.

Night seder didn't exist

Chickened out of the kumzitz at the last second, I was almost gonna go.

It's 1:02, I hope to H-ashem in heaven that he wakes me up on time tomorrow morning.

I downloaded the big book. Gotta print it out, but no ink so I gotta wait.

I'm gonna start 12 steps soon, Dovism is starting to get to me.

I'm coming to a point where his words are actually sounding logical and true.

Let's see what happens.

DAY 9

Woke up, said ks, then went back 2 sleep.

Shachris right before chatzos.

Skipped 1st and nost of 2nd seder.

Chavrusas will probably dump me.

I don't care though, their both annoying.

Almost no torah today.

BUT I DIDN'T CLICK WHERE I SHOULDN'T - NOT EVEN ONCE!!!

CONGRATS TO ME!!

I'm realizing that the olam here is actually pretty awesome.

Maybe one day I'll start a GYE kollel.

The only kollel in which the davening takes longer than the sedorim :D

Dude happy to hear your doing good. But dont allow this to ruin your real life. Virtual life is good, especially here, but nothing compares to real life friends. So make sure you dont lose them while you have them. youve gotta get out there.

I didn't say the whole world is annoying, just the two chavrusas that I happen to have.

But shkoyach again.

And after I open my GYE kollel, I think I'll start a site called GA.

"A site for jews in the real world, struggling to lead a real life against the temptation to sit on GYE all day"

GYE is your master. You have no control. You have to surrender your GYE desire to G-d.

Hey, KG.

i've just seen your thread , and i must tell you as the administrator did that your approach must to be chaged radicaly as quick as you can.

you sound as a sad one. if i wrong please stop read my message right now.

i gonna explain.

you must be happy, ok not happy but at least not sad as you sound.

everytime, all the time, never be sad.

the sadness is the food of the Y"H, the Y"H likes it so much that it leads you everytime to fall because you are in a depression.

and the fall is the drug for that, and afterwards you are sunked in a depression again and fall etc.

its a self destruct cycle, that if you don't change your approach you won't go out from.

:D ;D

as i learned in my daily tora lesson from my rebbe, never! but never! be sad. even after 10000000000000 falls. (i'm sure you havn't got to this number yet :D) even one minute after fall.

that change with the thousand tools in GYE site gonna help you in your journey to break free.

never be in depression!!!

=====
=====

be happy. just as those smiley ;D :D ;D
