I fell on Friday. I was having a stressful day but managed to fight my desire to let off steam but later in the day after stuff calmed down I fell

thanks for asking, at an 8 day streak.

just had a hard Shabbos, was by a married friends house, b"h was able to be sh"e but just the emotions that go through me when I see a married couple interacting with each other.

whatever rambling again:stuck\_out\_tongue\_winking\_eye: but thanx for asking it does help

I think it's incredible that you were able to be shomer eiyneim. It really is such a tremendous challenge to be at table with ????. And what you said about your emotions resonates very much with me. I remember countless times feeling very similarly over the past several years.

My recommendation based on my own experiences and falls in this area is, to whatever extent is possible, really, really avoid going out to Shabbos seudos with mixed attendance, **ESPECIALLY on Friday nights**, when the women are dressed to their best. It will just save you so much agony. Keep fighting! I am cheering for you!

hi... every morning I wake up with an erection no mater how I sleep, if anyone has advice for this it will be really appreciated

I believe it's similar to wet dreams.

Both these things can strangely disappear after you hit 90 days.

So don't stress over the small things.

Get yourself a Gye Chaver and hit the road!!

It's not a fall, it's another road stop on the way to recovery.

Have you tried the Flight to Freedom program?

That's got to be frustrating.

Remember that your 14 days of cleanliness will never ever go away. Your amazing!

Sing with me

"I fell on a Monday on a MAC cos I was too stressed,

I fell on Friday on a MAC cos I was too chilled,

With a Click Click here and a Mouse Mouse there,

My old MAC had a Dirty Farm e i è ï ô”

Now, how are we gonna clean up this mess?
