

my journey

Posted by omoH - 23 Nov 2021 14:14

i am starting my 90 days and will try to post about it as often as i can although i bh don't have regular access to the internet. i joined the 90 days last week and have since fell i was up late at night all alone and was fighting and distracting my self for a good hour or so but then i lost

Warning: Spoiler!

Welcome...

?If I may give a suggestion: please connect with a real person to help you in this journey. We have some great people on GYE or you can connect with a trusted friend/rebbi etc.

As they say "*The opposite of addiction is not sobriety. The opposite of addiction is connection.*"

Hashem should be with you...

Welcome! It's great that you don't have regular access to the internet, and should make your battle easier. But don't forget that you also need to put in the work ;-)

Please check out these great free resources. Perhaps they can give you some ideas:

ebook- The Battle of the Generation

Audio series- The Fight

see below in my signature for the links

question if i woke up and realized that i fell in my sleep is that considered a fall in my 90 day chart?

Definitely not.

What constitutes a "Fall" to require restarting the count?

There are "slips" and there are "falls". "Slips" **do not** require restarting the count. "Falls" **do** require restarting.

A "Fall" is one of the following things:

- 1. Intentional masturbation (with finish)**
- 2. Intentionally viewing improper sites**
- 3. Intentionally calling inappropriate telephone numbers**
- 4. Intentionally seeking out and reading erotica**

In regard to number 2 (and 4), if someone saw something by mistake and then got a little bit carried away and kept looking at it, or even if someone saw a link and couldn't resist clicking on it but then catches themselves within a few seconds, that would only be considered a "slip", not a "fall". However, if someone decides to actively pursue viewing, that would be considered a fall.

Hi there omoH, 25 days clean is nothing to sneeze at so kudos to you on that! Way to go!

You mention that you are being bombarded so to speak with thoughts...

Other than 'not being alone' the question you have to ask yourself is 'Do I have an actual strategy that deals with the problem?'

?I am not saying you don't, I am just wondering... (The problem with anonymous forum is that the only info we have of you is what you write...)

The problem isn't necessarily the finish, rather the path that leads there.

If I have to guess, Captain posted here somewhere, and he has links in his signature for great reads. Do yourself a favor and check them out!

Hatzlacha!
