I had my fair share of ups and downs, and I've been having some fall the past few weeks so I think that if I start logging my journey it would be more helpful

Getting on the 90 day daily checking in has really helped me stay focused so far. Today is 28 days. Let's see how far we can get! Even if you fall along the way, every day you don't is a victory.

Never give up. If you are fighting then you are already winning part of the battle. You are in the game. Keep going. We are all rooting for you!
