Glad to have you back - share with us?

(also, can you post a link to Steve C's thread?)

Don't just check in, open up - tell us what's going on, so we can help support you, and you can inspire us!

Looking forward - you're sleeping so that you can wake up tomorrow and continue on your journey of holiness!

Thanx!

But far better to shout out BEFORE your time of need, and let's work together, growing, in the meantime!

I'm starting to lust again, and every woman in the street is a trigger...

Somebody please help...
