Posted by shemirateinayim - 31 Dec 2009 19:29

GUARD, i was once supposedly on it. but i couldn't update it for 2 weeks. so i never saw if i was put on or not. but I think my screenname is reserved (by me). and the site keeps telling me that my email is in use.

I need some help getting myself on the chart.

i found i was/am so much more exhausted than before the fight. combination of not sleeping as well and all the mental and physical awareness throughout the day. This too shall pass. It beats the feelings that accompany a fall.

Hatzlacha in all things GOOD.

Let the TaPHSiC method free you from the madness... Get up and dance! Get away from the computer when you don't need it for work. Get outside. Get busy. Get involved in REAL life. ROAR LIKE A LION. Gallop across the plains... FREE... Feel the wind in your hair... Feel G-d's goodness... It's good to be FREE...
