Hi I'm going into day 70 it's getting easier in one way but in the other hand it is getting boring to fight and I feel from time to time like "treat yourself " even though I know it is the worst thing that can be

anyone can relate?

You should absolutely treat yourself. Go out and buy yourself something special as a small recognition of how far you've come so far!!!

Yes! my friend. you should and you must treat yourself.

Treat yourself to a food or drink or anything that your body will enjoy as long as Hashem will be proud of whatever is it that you decide to do....
