Wish you good luck. Enjoy your vacation. Watch out because it gets harder when you spend your day out there. Hatzlacha raba!

That's one of the major benefits that friends provide. You don't need access, and they're the best at nipping any urge when you reach out to them in time. If not for my GYE friends, I don't think I would have made it through more then one Bein Hazmanim clean. Hatzlacha!
