As a single bochur in Yerushalayim I hope to go for 90 days M-Free. Bh regarding porn I am by day 47 but because M is my main struggle right now I want to have this thread just for M.

Today if I bez"n pass it will be day one I still have to withstand an hour or 2 including a shower. I ask hashem to give me help through this challenge and through this i can grow in totah avoda and yiras shamayim.

I wish to STOP SURVING & START LIVING.

PS special shout out to HHM who it turns out months ago when I reached out to GYE and they hooked me up with a pro and maiven to talk to it was him, and he's been supporting me since. Keep it up HHM, keep helping klal yisroel.

Here to report a Clean day and a Win!

I was on the way into the shower and had a urge to masturbate. My hand was about to go for it and I held myself back because I simply didn't want to walk out of the shower post wasting seed.

If I feel I might be tempted in the shower, I read a chapter of the book. That usually helps except when I've ejaculated without masturbating that I have no control over.

Porn (pics), masturbation and yet again masturbation.

Not even feeling down.

Want to challenge myself to make it through Chanukah clean from masturbation. Let's see if I can do it.

I dont know what you Litvaks do at the Chanuka Lechtelech, but by us Chasidim, we sit and look at them for a long time and we daven and sing warm songs.

I sit and look into the lecht for as long as i can and i cry my eyes out to Hashem, the pleas are different as my journey changes with time.

Sometimes I would ask for help with P

Sometimes with M

Sometimes for both

Now I ask Hashem to please make me forget every bad thing I ever saw! Oh how I wish I never saw a 'ekeldiga shiksa/shiegetz! what I wouldnt do to erase all of them from my mind! Hashem can make everything happen.

On Chanukah we can get pure like the Candel.

Look at them jump, they are only interested in going up, and they never give up. They can leap up for hours and hours even though they get pulled down, they keep jumping. Thats a lesson for

us.

Hashem, please

Make us want you and only you

Make us pure like the oil

Make us holy like the candles

Make us shine brightly

Make us see the light in this terrible darkness

Lets all have a Hieliga Lechtiga Chanuka and all year round.

Thanks for the inspiration.

I once saw from the Zohar that this is the reason we *shockel* during davening and learning. It's the candle inside us jumping when it gets ignited by Ruchniyus. ?? ?' ???? ???? (If I'm not

mistaken it says there that this is a way to know whether someone is a Yid or a Goy.)

I heard from Reb Efrayim Wachsman that normally the shechina doesn't come down lemeta meyasara but on Chanukah it does. He said that's like a king who visits the jail and even the 'low lives' can get a chance to talk to him. So too on Chanukah we are visited by Hashem and we can ask Him for help in the lowest parts of our lives. That's what I did during davening and will do also when I'm sitting by the menorah later.
