

Just Starting

Hello fellow brothers,

I can't begin to describe my feelings of love and gratitude to all you kind Yidden. Kal Yisrael Araivim etc. and now I can truly see I'm not alone...

A little about me - I'm 32 years old with 4 B"H beautiful children and a very wise wife whom I truly love and cherish.

I have been struggling with remaining clean since I'm 15/16 years old...I fall once or twice a week since then.

When I got married (8 years ago) I was able to control myself for quite some time. However, the pressures of Parnossoh and the pitfalls of the high speed internet. R"L... Due to technical difficulties (I marked 1/1/2009 instead of 1/1/2010 as my first day) mistakenly my wall of honor post shows a previous streak of 364. I am now clean for 4 days since the Goyishe New Year and I hope to make that 364 days clean (and beyond) a reality.

I hope to find a sponsor or at very least a partner to whom I can entrust my internet filter/Accountability software. I will need that person to spend time in the beginning to tweak the settings since I have to use the internet extensively as part of my job. Unfortunately, I spend many hours alone in my office...I pray that this accountability and sense of community will help me attain a daily victory over my Yetzer Horah and desires for many years.

I also hope to find a Phone Group that would work with my schedule...I'm in the West Coast

That's some damn good advice.

I should take it. I isolate myself *far* too often.

There's a song that goes:

"Well that was

GOOD ADVICE,

Yes that was

GOOD ADVICE...

Good Advice costs nothing

and it's, *WORTH THE PRICE...!"*

But in this case, I think it's worth gold. I need to use it more, meself...

Have an good, great, or awesome day. Choice is yours.

Well...Uncle Moishe, Bernard Shaw, and Roddenberry - Steve, what a cultured man you are....

Thank to you my dear friends for being there...Your time and effort to read my crazy pleas for help and replies, especially you dear Steve, with your traditidional beautiful Megillahs are appreciated beyond anything I could put into words...As you veterans and Newbie's probably already know...I've/You've never experienced a loving connection with other Human Beings in this way ever....Ironical that I don't even know your names....and I probably know you and you know me better than your/my own mothers.

Steve...I give you Brocho you should have Bucket and Buckets of Hatzlacha in you Parnossoh ( Imean Poshut B'gashmiyus...Lots of money) and be able to buy your wife all that jewlery you wanted to surprise her with...I told you I know you well.

Amen!

Isn't that from Alan Sherman?

"next day he set sail, and as everyone knows, he fell of the edge of the earth..."

B"H, you don't give us any advice like that!
