

Just Starting

Posted by humanbeing - 04 Jan 2010 17:34

Hello fellow brothers,

I can't begin to describe my feelings of love and gratitude to all you kind Yidden. Kal Yisrael Araivim etc. and now I can truly see I'm not alone...

A little about me - I'm 32 years old with 4 B"H beautiful children and a very wise wife whom I truly love and cherish.

I have been struggling with remaining clean since I'm 15/16 years old...I fall once or twice a week since then.

When I got married (8 years ago) I was able to control myself for quite some time. However, the pressures of Parnossoh and the pitfalls of the high speed internet. R"L... Due to technical difficulties (I marked 1/1/2009 instead of 1/1/2010 as my first day) mistakenly my wall of honor post shows a previous streak of 364. I am now clean for 4 days since the Goyishe New Year and I hope to make that 364 days clean (and beyond) a reality.

I hope to find a sponsor or at very least a partner to whom I can entrust my internet filter/Accountability software. I will need that person to spend time in the beginning to tweak the settings since I have to use the internet extensively as part of my job. Unfortunately, I spend many hours alone in my office...I pray that this accountability and sense of community will help me attain a daily victory over my Yetzer Horah and desires for many years.

I also hope to find a Phone Group that would work with my schedule...I'm in the West Coast

Hello HB

Yes we are on the same boat? Who is the captain? I would like to hear from you more... I realized about this site although it is great and gives us all chizuk but it also may be an escape from the real deal, talking to real people hearing real voices...

Oh, Captain my Captain!!!

The Captain Has be US...the Ribono Shel Olam gives us the Kochos, either through friends, like your sponsor, or me and the many others on this forum, to be the captain of our Ships in a very turbulent (temporarily) sea of this bitter exile. Ship = Our concious chosen Thoughts (the most intimate of our faculties and where Avodas Hashem is at it purest altruistic level, hara'aya - Nobody knows what your thinking both regarrding shame and praise), Speech and our actions.

okay story for the day...

so after being clean for a week and working on my self.... Now came a real big bumner, Please forgive me if what I am writing is not appropriate and creating triggers (I love that word) I am with my wife after she went to the mik, I did not know what to do or think and my mind was going back and forth, i wanted it to be real, but what is real? Is it lust or is it ok for me to feel this way towards my wife? Should I (we) do the things that are triggers for me? I just did not know what is right or wrong.... I asked Hashem please make it real enough of my sick thoughts... bottom line nothing happened, which bring me to this morning, if It did not go well with my wife then what happens the next morning, who can guess? That's right i start to feel H...y and unhappy and need to feed my YH, I hope to make it thru today and over shabbos....

In Sh"A, I believe, one of the holy intentions when one is together with his wife should be that this will take away the excitement and energy to lust after improper things (in SH"A language Y"H). Every time you are together with your wife for that purpose you are performing the Biblical Mitzvah of Oinah. It's serving Hashem, just like Davvening Shmonei Esrah - (Source: Raishis Chochmah)

V'shomri Bnei Yisrael Ess Hashaboss!

good shabbos to everyone

My friends, **YES!!** We are all wounded little children, with resentments and fears buried deep down that have never gotten resolved. The Inner Child within us, hurt and lonely, it is HE/SHE who is crying out for comfort and recognition, THAT is the part of us which is running to the p**n drug to escape, and finding fleeting pleasure in the M and the end.

I can't believe you have figured out what it took us WEEKS in the 12 Step program to uncover.... WOWIE we are dealing with intellegent life forms, Mr. Spock...

"You just WAIT, 'enry "iggins, JUST YOU WAIT!" (Hameivin Nebach Yaavin) Join the 12 Step program with DC in Feb, and you'll find out how to heal that inner child, validate him/her, give them a voice, then see how to look the world in the eye and say "OK, ENOUGH about ME! What about YOU?!" And eventually you'll flick the little devil off your shoulder and walk away from each lust urge like it's a pesky fly you can just shoo away.

Oh, darn, I keep giving away the secrets.... they're on to us now, DC, so watch out...

I do a lot of work with people (as opposed to with computers, numbers, of various forms of wildlife and herbiage), and I usually find that people who successfully go through 12 step programs really seem to get it.. They just understand that life is about working hard, they know how to appreciate the right things, show appreciation in the right ways... they are a really good bunch, so good luck humanbeing and yidster on your journey together!!!
