You're an inspiration. Each time I read these "journey"s threads I get super kina that people are able to accomplish what I've been convinced is impossible.

keep it up! We're rooting for you brother!

Behind **EVERY** thread that gives you kina, is a user that was once convinced it would be impossible to get to where he is now

Spot on like none other.

***Let everyone look and take heed to Redfaced's post here. Speaking the truth if there ever was one.***

Thank you!

P.S. 'Twas great connecting in and out of the dungeon...

I would tattoo this on my face if I could. The absolute stone cold truth.

This is one of those truths that are so true they smack you across the face, drag you into an alley, and break your fingers one by one until you admit to them.

This should be on the log-in screen on GYE, and you should be required to sit and stare at it for two minutes before you can log in.

Day 27 clean g-d bless

I hade some urges but I ask myself

AND THEN WHAT?

What happens after

And we all know the answer to that....

"You should do what is right because it is right. You should also do what is right because when you do what is wrong, it will come back to haunt you. It will come back because you will never forget it, and you will never be able to talk about it with pride."
