Thank you so much for the kind words!

Bh I've been talking to yiftach in person and over the phone and it's thanks to him honestly that I got to 71 days and hopefully this time will be 90 days and more

If anyone has any ideas for me that worked for them I'd love to hear

11 days clean but that doesn't matter because well idk it just doesn't

I'm feeling just fed up tbh like on one hand let's just stop doing this and then it's not a problem but then it's like why cause all the pain of holding back obviously obviously I will fight but it's like tough as I'm sure you all know

Anyway just wanted to write something

Maybe choose to write on your planned celebration for successfully achieving 70 days of cleanliness and purity!

"Anyways I just wanted to write something!"

Withdrawal is normal and expected, and that's basically what you are describing. Fortunately it is temporary, so hold strong buddy.

hold strong buddy.

Might I recommend that hands of friends are a great thing to hold strongly to.

We are all in this together.

So after having probably the hardest battle of ever had that I failed 10/10 times I defeated the urge yesterday amazingly enough and all thanks to yiftach and hhm

So I just wanted to say how powerful it is to have such amazing people on your side in this journey

As a great philosopher once said so eloquently "**Hey, yo, Tommy! I didn't hear no bell!**"
