

Lonely but trying (trying but lonely)

Posted by odyossefchai - 09 Sep 2024 21:55

Ok here goes.

I'm starting a new 90 day journey.

I don't know why 90 days. Maybe because I saw that other people started a 90 day trial and it worked so let's give it a shot.

I'll give my story over the next posts as I'm new here and not all together comfortable sharing my life story.

I'm already up to day 8 so I have a little wind in my sails.

IYH we'll add in the days, one by one.

Good morning chevra! Hayom Yom Tisha Asar!

19 days of winning.

Yesterday was very rough. Today is worse.

Not specifically this inyan, but other areas of life.

In the old days, I would go and 'destress'

Not today though fellas, not today.

I didn't realize there were any fellow Kahanists on the forums!

(Well, I knew Redfaced was blowin' up Arabs in his spare time, but I didn't know there was anyone else.)

Yes. This was a game-changer for me.

I'm always surrounded by people. But to be able to talk, to connect, to **be**, with the special guys here.... Makes all the difference.

I think that loneliness often happens when you can't share your interior landscape, when the shapes of your dreams and pain have nothing to connect to...

And then I got to know the Oilam...

OYCH - you're a great addition- stick around, please!

Not giving up on myself! I'm here for the long haul IYH. I need the support from the Oilam here and it means so much to me.

I've already shmoozed to some of the guys here and I met HHM (which I promised to talk more about)

So BH for all your help.
