

Seeking Strength to Overcome Yetzer hara

Posted by yoshi - 08 Jan 2025 13:14

I'm 31 years old, and I've been battling masturbation and pornography for 19 years now, with, of course, ups and downs. My longest break was managing to hold out for six months, but I always ended up going back to this bad habit, which creates problems in all areas of my life. Despite prayers, studying the Torah, marriage, and having children, and with filters on my computer and phone, I have always fallen back into this bad habit.

This is the first time I'm talking about it on a forum, and I hope to find with you that extra strength to finally, with God's help, succeed in overcoming the *yetzer hara*

Day 22 23 24 25 clean !!!

My wife is currently Nidda, so it's a more complicated period to go through. **Note to myself: I need to be a bit more careful than usual and not let misplaced pride make me believe I can get through difficult times alone. I should seek help when I can't manage on my own.**

Beautiful!

I love the self-awareness!

Did you plan out how you will seek help? Have you ever been in touch with anyone from GYE?

Thanks for your response. It's true that I've never really talked to someone from GYE. I've been

on the chat at times when I was struggling more, but not on a regular basis. In general, just going on the forum, writing, and sometimes replying to other topics helps calm my urges. But if you have any ideas or advice to share, I'm open to them.

In general, just going on the forum, writing, and sometimes replying to other topics helps calm my urges. But if you have any ideas or advice to share, I'm open to them.

Many people have found that the path out of this struggle is largely through connection - real life connection - to other people from this wonderful site.

It is extremely scary to make that first call and it requires a build up of real courage.

There are many amazing people here you can call, you can also try to look around at some of their stories and posts to see if you connect to anyone in particular.

Here's a small list of some of the guys:

HHM - Hashem Help Me - is the mentor-in-chief around here. He's reachable at michelgelner@gmail.com.

Some of the other great guys here are Eerie - 1gimpelovitz@gmail.com, Muttel - muttel15@gmail.com, Reb Akiva - mevakesh247@gmail.com iwantlife - iwantlifegye@proton.me minhamayim - minhamayim1@gmail.com

Please seriously consider reaching out. It just may change your life.

P.S. You can reach out to me, too. My info is in my signature.

Honestly, I wouldn't know

Me neither, all I know is that Japanese writes up and down as opposed to side by side
