Perhaps, we should treat it like the Omer. We should be counting **up** to the goal.

Where are you up to, holy brother?

Countdown still clocking?

Keep us posted here, we're all waiting to see the bright you.

jubilantpenguin50, What's the story with you?

How's life going??

Let all hear your voice, share your success..

Where's the countdown up to?

Do you have a plan for the future once you reach zero?

=====

Re: Counting down

If you don't plan ahead of time you can easily lose control once you reach zero. You can adjust your plan later but you should already have a plan in place. If this would be a count up I wouldn't have this concern. Counting to zero means that you will release tension once you get there.

Good Morning Brother..

You can't just let me hangin' here..

Come on.. Talk to me, I'm waiting at your door.
