

bardichev's battle

Hello to everyone here. I am truly humbled to be here. It is the most wonderful thing.

I can not believe that today is my 31st day without any assur internet whatsoever. Without any bittul zeman internet. I can't believe it myself I am so happy.

Just four weeks ago I couldn't sit in front of my computer without peeking just for a few minuets at all the filth that the Y"H brought my way.

Just four weeks ago I was the lowest person in the world living the biggest lie. Just four weeks ago I was crying under my desk and I really wanted to change. Indeed in the past I made strong kabbalos I gave myself all kinds of mussar I applied all kinds of advice but I never was able to ever go 2 weeks clean.

I B"H found a lifeline GUE I realized 3 things a. there is a way to recover

B. that I am an addict an addiction will need recovery not that I'm just crazy or SHVACH . C. there is other people in the same boat that are honestly working on changing their lives.

At that point I didn't feel that I deserved to be on the forum let alone on the WOH. So I kept my own journal for two full weeks .It was so hard to change but all the chizuk from reading all the posts on GUE pushed me along.

I still can't believe that I am clean for a month .I am not trying to delude myself to say I arrived I REALLY need all the encouragement to reach my short term goal of 90 days. I am really taking it one day at a time. I am davening for siyatta dishmaya.

I realize that the battle of the Y"H is a full time job. My shemiras ainiyim is on a very good level B"H. I am scared that I will fall so I am really setting small goals.

I came to this realization that I couldn't stop my self until I admitted that I was an addict not that this was just a bad habit this is my addiction. Once I knew I was an addict I was able to accept advice from all the people on the forum because until one doesn't ADMIT he cant be helped because its not for him.

I started to realize that the power of TEFILLA is so great.

I had a wonderful insight in the tefilla we say "VCHOF ES YITZREINU LHSHTABED LACH" we daven that Hashem should force Y"H to be subjugated to HIM. All my life I davened that "my" Y"H should be controlled by "me" .NO NO NO I have learned from the first of the twelve steps we are begging Hashem to force the Y"H to be under HIS control. (I am saying this as a chizuk not trying to delve into deep questions that deal with Emunah).

May all our friends here be the source of inspiration that we all become truly the HEILIGE NESHAMOS WE WERE GIVEN AT BIRTH.

Please give me the chizuk (and mussar too) to reach my goal.

May Hashem bentch each and every one of us.

Humbled and happy

bardichev

Ok ok ok!

I will Admit it!

I forced the Rebbe to right that about me.

I held up a bottle of woodford and threatened to bash it over the Rebbes head if he doesn't write what a Gadol Batorah I am.

But its half way true, because I am a Gadol just not in Torah so its not that bad.

I mean, do you think there's that big of a difference between a Gadol Batorah or a Gadol B'Addiction?!

Ya know what?!

Gadol Shmadol!

Who cares?

Di Gabbeh!

E.L.

P.S.

The Rebbe emptied out the bottle right down his throat right after I put it down. He wasn't afraid of getting hit with the bottle as much as he was afraid of losing so much precious woodword all over the floor.

L'Chaim!

And the rebbe's silver/crystal l'chaim glezel and silver flask of Woodford will be waiting...

Along with the Rebbe's custom made possum-skin pantofell so that he can rest his weary feet...

LeChaim alle Yidden!

Rebbe,

Thanks for mentioning me. Though I think in the end, I gained a lot more from you than you did from me. Your genius blend between humor and seriousness really uplifted me.

And yes, I do still float around this site. I check it once to twice a week. It keeps me sane. I come to read yours and dov's post. It is my lifeline. Not really keeping up with everything else. But a big shakoyach to you, dov and kedusha (and of course to guard) and all the other guys for really holding this place up.

Anyway, happy birthday again. And be sure to visit me if you come to Eretz Yisroel. Even the heilige gabai came for a visit.

Your dear friend,

Yaakov
