

bardichev's battle

Posted by bardichev - 19 Apr 2009 19:51

Hello to everyone here. I am truly humbled to be here. It is the most wonderful thing.

I can not believe that today is my 31st day without any assur internet whatsoever. Without any bittul zeman internet. I can't believe it myself I am so happy.

Just four weeks ago I couldn't sit in front of my computer without peeking just for a few minuets at all the filth that the Y"H brought my way.

Just four weeks ago I was the lowest person in the world living the biggest lie. Just four weeks ago I was crying under my desk and I really wanted to change. Indeed in the past I made strong kabbalos I gave myself all kinds of mussar I applied all kinds of advice but I never was able to ever go 2 weeks clean.

I B"H found a lifeline GUE I realized 3 things a. there is a way to recover

B. that I am an addict an addiction will need recovery not that I'm just crazy or SHVACH . C. there is other people in the same boat that are honestly working on changing their lives.

At that point I didn't feel that I deserved to be on the forum let alone on the WOH. So I kept my own journal for two full weeks .It was so hard to change but all the chizuk from reading all the posts on GUE pushed me along.

I still can't believe that I am clean for a month .I am not trying to delude myself to say I arrived I REALLY need all the encouragement to reach my short term goal of 90 days. I am really taking it one day at a time. I am davening for siyatta dishmaya.

I realize that the battle of the Y"H is a full time job. My shemiras ainiyim is on a very good level B"H. I am scared that I will fall so I am really setting small goals.

I came to this realization that I couldn't stop my self until I admitted that I was an addict not that this was just a bad habit this is my addiction. Once I knew I was an addict I was able to accept advice from all the people on the forum because until one doesn't ADMIT he cant be helped because its not for him.

I started to realize that the power of TEFILLA is so great.

I had a wonderful insight in the tefilla we say "VCHOF ES YITZREINU LHSHTABED LACH" we daven that Hashem should force Y"H to be subjugated to HIM. All my life I davened that "my" Y"H should be controlled by "me" .NO NO NO I have learned from the first of the twelve steps we are begging Hashem to force the Y"H to be under HIS control.(I am saying this as a chizuk not trying to delve into deep questions that deal with Emunah).

May all our friends here be the source of inspiration that we all become truly the HEILIGE NESHAMOS WE WERE GIVEN AT BIRTH.

Please give me the chizuk (and mussar too) to reach my goal.

May Hashem bentch each and every one of us.

Humbled and happy

bardichev

bardichev may well be like recovery. as long as ~~you hang on to the rebbe~~ you work your program you'll be fine.

if you think you're all fixed up and can just coast along, you are bound to become ~~burned cholint~~ toast

just like a real rebbe, a parent, a mentor eventually passes on, yet his roishem, his imprint is still manifest on his protege, so too the effects of of the ~~Woodford~~ rebbe

Don't you need a Sanhedrin or *at least* a Beis Din of 23 mumchim to actually **stone** anybody?

Hey Guys,

What Up?

I wasn't here in ages.

what made me pop in all of a sudden?

Well, I got an urge to see whats going on here after getting today's chizuk email that I still read up on all the time.

While I'm talking about the Chizuk Emails, I must add a Special Thanks to Reb Dov=Ber (like Reb Bards would say) for your Genius Masterful Input.

So I sent the Rebbe a BBM as to how I loved that Solid Shtikel but he hasn't responded yet.

In any case I miss the good old days here in the World of GYE or as we Old Timers knew it as GUE.

As the Rebbes Gabba he told me that hes leaving for good a while back but he said it a few times so maybe we will have the Zechus to see him again one day.

For now I can BBM him any messages if anyone wishes to send him.

All the Best, You guys Rock the World.

The Gabba

E.L.

:D ;D

Hey, no fair - I shouldn't be so full of Simcha on a Taanis!

Nice to hear from you! Best to Bards!

I'm also a GYE old timer, and proud of it (it was called GUE because of the original website, but the new website was already around when I joined). The day Efshar registered for the forum happened to be "Day #1" for me, and I registered myself 4 days later.
