I have struggled my whole life. not with extreme addiction but always was tempted to peek into books in drug stores or magazine stands, i never bought anything but the peeking and looking was a terrible experience. When i heard of the internet and its dangers it only made me curious. When I got internet The dam burst. Again, I never downloaded any thing but whatever was free i would look at and I learnt a lot of disgusting things. I tried Covenant Eyes and it helps but i lie to my partner that is was one of my workers etc. there have always been ups and downs in my struggle. Recently my son brought home a book about shmiras enaim and I read it and got a lot of chizuk. Then I discovered this site. So, with both things together and covenant eyes I am pretty clean now and don't even feel the pull. of course one is never free and can always fall but right now i feel no urge to click on to any thing bad. I have subscribed to the chizuk line that u email and i read it every day. you bring down amazing things. yasher koach

Does anyone have a statistic of how many duplicate posts there are?

How did you find it? Last post was in June 2010. Is this in Markz index?

Will try to read through the 24 pages.

P.s. Does anyone have a statistic on how long it will take to read through the entire forums?
How many words have been posted to date?

Does GYE offer a API access to their forums so that someone can plug it into a deep learning AI system which will be able to direct newcomers to just the right posts based on their needs,

wants, fetishes, demands, etc... We got some talented web professionals around here.

why the triple postin'?

I was searchin' for somethin'.

Many people don't know about the advanced search options.

They also don't know about the recent topics or recent posts.

Oy, for yesteryear.....

SSorry about that. Got some serious mobile issues. Couldn't delete anymore so I edited out the posts. I see in recent posts you bumped a couple of old threads. There were some good ones around. A lot more camaraderie going on. I'm going to find Harry's Son and bump that. Loved that story.

Listen up my good friend you will be helped and you came to the right place it will cost you alot less than seeing a professional .And you might be lucky enough to save your good name.

Having said that YOU WILL ONLY BE SAVED IF YOU ARE MODEH THAT YOU ARE AN ADDICT!

I know it hurts it hurt and hurts me too.Yes I am an addict yes me the Father husband Talmid Chacham askonin neighborhood is an addict.

I guess it was a lot easier in the old days to throw around the Addict word.

The power of one sigh

How precious when you sigh out of longing for something holy. The sigh you emit because you are far from holiness breaks the bond of impurity that was trapping you. Now you can bind yourself with the **cord of holiness**. But the opposite is true when you sigh with desire for something wrongful, God forbid.

One sigh of regret over your sins and great distance from God is worth more than many fasts and other forms of self-mortification. The sighs you emit when you desire something holy can actually break the force of your bodily urges, enabling your soul to draw nearer to your body and communicate to it something of her own perception of God.
