

Momo II: Another try

Posted by Momo - 17 May 2009 10:10

Hi everyone,

After originally joining this forum, my first streak was the best for me (24 days). That was accompanied by almost daily posts and the chart. More important than the number of days, during this streak I really felt the Kedusha and that was an amazing feeling. I felt that I was actually getting rid of lust from within me. However, after I fell, I gave up with the forum and chart, and had smaller streaks. I make efforts to try again, however, I never reached the feeling of Kedusha during the shorter streaks (that were between 5 and 20 days). I also never felt that I was getting rid of the lustful feelings. I was just counting days until the next fall.

Anyway, I'm ready to try again with the chart and posting on the forum. I'm ready to make a REAL effort again but I've been feeling very lonely for the past few days, and I need the chizuk from this board to remind me that I'm not alone, and someone cares if I try or not.

Here's another try to feel the Kedusha and attempt to rid myself of the lust...

My first clean day was May 12, so yesterday (May 16) counts 5 clean days so far.

May HaShem help me.
