

Momo II: Another try

Hi everyone,

After originally joining this forum, my first streak was the best for me (24 days). That was accompanied by almost daily posts and the chart. More important than the number of days, during this streak I really felt the Kedusha and that was an amazing feeling. I felt that I was actually getting rid of lust from within me. However, after I fell, I gave up with the forum and chart, and had smaller streaks. I make efforts to try again, however, I never reached the feeling of Kedusha during the shorter streaks (that were between 5 and 20 days). I also never felt that I was getting rid of the lustful feelings. I was just counting days until the next fall.

Anyway, I'm ready to try again with the chart and posting on the forum. I'm ready to make a REAL effort again but I've been feeling very lonely for the past few days, and I need the chizuk from this board to remind me that I'm not alone, and someone cares if I try or not.

Here's another try to feel the Kedusha and attempt to rid myself of the lust...

My first clean day was May 12, so yesterday (May 16) counts 5 clean days so far.

May HaShem help me.

Thanks Habib.

IT25 wrote that he understood I don't care 2 different ways. One is like you did (positive), the other is I don't care about how Momo feels (negative).

Hey buddy, it's OK.

I'm not letting it get to me.

Now how can anyone dare say that , that is too egotistical?? >

I appreciate the opportunity for me to let it go.

And as I wrote, if that's the majority opinion, I'll reign myself in from a lion to a cat. ;D

I'll be logging off in a half-hour, and I don't know if I'll be online again before Sunday morning.

So, I wanted to take this opportunity to wish everyone a wonderful Shabbat.

Also, Beezrat haShem I'll be celebrating my 17th, 18th and 19th clean days today, Fri, and Shabbat.

I remember my 19th year especially since that's the year my addiction, and mainly my acting out took a major turn for the worse.

Momo's prayer: May my 19 clean day, which falls out on Shabbat, be a tikkun for all the bad things I did when I was 19 years old!

Great word Habib! You play Scrabble? :D

Message to all my GYE family:

I want to open your thread on Sunday and read that you had the most fantastic and happy Shabbat, no matter what HaShem brings your way because you're learning to let it all go and live, regardless.
