

Momo II: Another try

Hi everyone,

After originally joining this forum, my first streak was the best for me (24 days). That was accompanied by almost daily posts and the chart. More important than the number of days, during this streak I really felt the Kedusha and that was an amazing feeling. I felt that I was actually getting rid of lust from within me. However, after I fell, I gave up with the forum and chart, and had smaller streaks. I make efforts to try again, however, I never reached the feeling of Kedusha during the shorter streaks (that were between 5 and 20 days). I also never felt that I was getting rid of the lustful feelings. I was just counting days until the next fall.

Anyway, I'm ready to try again with the chart and posting on the forum. I'm ready to make a REAL effort again but I've been feeling very lonely for the past few days, and I need the chizuk from this board to remind me that I'm not alone, and someone cares if I try or not.

Here's another try to feel the Kedusha and attempt to rid myself of the lust...

My first clean day was May 12, so yesterday (May 16) counts 5 clean days so far.

May HaShem help me.

I felt my office shake and I checked momo's thread... sure enough, it was his ROAR!!

Momo, there were two extra "blahs" in your "blah" post before. Be careful next time not to exaggerate your apathy.

I suggest you FIGHT YOUR APATHY, or don't.

Today is day 30! So, if I make it through today, beezrat haShem tomorrow I'll remind everyone how much each of you owes GYE (it's 10% of what you pledged). ;D

Thanks Trying.

I feel a bit stranger than usual today. I feel a positive energy, with a bit of nervousness. I have a strange feeling that something BIG and positive will happen to me today.

I don't know if it's the fact this today is my 30th day, or if something will happen in the material world, like at my work.

I guess I'll see. If nothing special happens to me at work today, or at home tonight, I guess it's

WoWW MOMO

Big stuff! I can almost hear the pens scratching on the checkbooks, moving large sums of money from various offshore accounts to the coffers of GYE!!!!

Pull through to the finish line!!! Gun it down the straightway!

You realize that it's only 60 dollars total from everyone (that's 10% of the total 600 dollars pledged), right?

I spoke too soon.

I don't know what happened. That great feeling I had this morning is gone.

Now I feel like I want to act out, so badly!

The Y"H is fighting me hard on my 30th day.

He doesn't want you guys to donate the 60 bucks to GYE.

AAHH!!

MOMO, if you get through this and you don't let the urges get into your control panel, imagine that there will now be 5 people who will be working on their teshuvah because of you. The truth is, it can even be more than that.

600\$!?? that's like one ad a week 4a year in the jewish press!!

If I came over to you and asked you "Will you sell me the zechus if I manage somehow to give you a day to do whatever you want?"

What would you answer me? I seriously hope you would say go %\$@24 to &^%\$\$ and more.

Well, he wants to take away your zechus and not give you anything in return. Anything good that is. He will rape you in return.

Doesn't sond like a deal that's worth going into. Zechus in exchange for rape? Nah...
