

Momo II: Another try

Posted by Momo - 17 May 2009 10:10

Hi everyone,

After originally joining this forum, my first streak was the best for me (24 days). That was accompanied by almost daily posts and the chart. More important than the number of days, during this streak I really felt the Kedusha and that was an amazing feeling. I felt that I was actually getting rid of lust from within me. However, after I fell, I gave up with the forum and chart, and had smaller streaks. I make efforts to try again, however, I never reached the feeling of Kedusha during the shorter streaks (that were between 5 and 20 days). I also never felt that I was getting rid of the lustful feelings. I was just counting days until the next fall.

Anyway, I'm ready to try again with the chart and posting on the forum. I'm ready to make a REAL effort again but I've been feeling very lonely for the past few days, and I need the chizuk from this board to remind me that I'm not alone, and someone cares if I try or not.

Here's another try to feel the Kedusha and attempt to rid myself of the lust...

My first clean day was May 12, so yesterday (May 16) counts 5 clean days so far.

May HaShem help me.

I know it sucks. It really does. :'(

Sometimes I have to do things I don't want to do. (And I didn't decide on my own either).

I know you can **man up** to it, Momo! :D

KOT NMW

We believe in you, Momo! You are the new "hit" of this forum!

Guard, I understand why you did it. I just don't like having my friends yanked away from me.

Also, the idea of collective punishment doesn't sit well with me. I guess you couldn't block specific people from viewing the other sex's forum.

Change is hard for us control types.

Momo - we have to remember that the girls still do care about us, even if they can't say anything...

And we'll have to be there for each other more...which, by the way, is another reason why I sponsored you - so you could know that you had my support. So you could know that I cared about you.

You're doing fantastically!

Thanks Silent, but to be honest, I really don't feel like posting anymore.

Uri's gone.

Habib's gone.

7Up is gone.

I might just post if I fall or when I hit my next milestones (50 and 90 days). I'll see.

Maybe this is a good thing. Maybe I should take this opportunity to stop being a forum addict and use this to force me to work instead of posting all the time.

I haven't decided. I'll take it as it comes.

But, whether I post or not, I'll always think of my GYE friends.

:(

What the heck? I understand that you're feeling a loss, but what about the rest of us who care about you?

Oh common.

You can still care.

What am I supposed to post? I'm getting tired of writing: KOT, live for today, today's day number x in my count, love you brother...

Same mantra.

I don't want to discuss this. I haven't decided for sure, I'm just brainstorming.

If I need to post, I will.

If I'd rather call people, I will.

If I'd rather work, I will.

I'm also not happy, but we gotta change our perspectives to make the best of the new situation.

The girls now have an opportunity to rebuild, to create their own place tailored made for them.

It's more obvious for them cuz they're building from the ground up.

But we ALSO have an opportunity to rebuild. To refocus. We can band together and grow and support in our own, also unique way.

And you, Momo, are a gifted, sensitive man with a lot to offer the world, and us GYE guys. Please cont to be yourself - there's a bunch of new friends joining daily looking for veterans like you to guide them.

Like Habib, if you need it, take YOUR short break. I'm confident the Momo we know and love will be back, as energetic and enthusiastic as always, if not more so.

YOU ARE STILL SOMEONE SPECIAL!!

C'mon Momo, Give us a SMILE! ;D

Guys,

Day 36.

I'm under stress because I have a lot of work to do and am shell-shocked. I am not working. I am too panicked to start working, as crazy and illogical as that sounds.

Instead, I've been surfing around, which we know is bad for us...

Anybody there?

Hey -

Due to the fact that I've not done anything really constructive in the past 24 hours (besides sleep - and even that not enough), I'm up and around!!!

It seems lots of people here are having trouble these days.

I sort of know what you mean about the work - sometimes I have SO much stuff that I have to do, I end up just mulling around in a daze because I have no clue where to even start!

I guess that's one more thing we have in common in our struggles.

Hang in there!
