

Momo II: Another try

Hi everyone,

After originally joining this forum, my first streak was the best for me (24 days). That was accompanied by almost daily posts and the chart. More important than the number of days, during this streak I really felt the Kedusha and that was an amazing feeling. I felt that I was actually getting rid of lust from within me. However, after I fell, I gave up with the forum and chart, and had smaller streaks. I make efforts to try again, however, I never reached the feeling of Kedusha during the shorter streaks (that were between 5 and 20 days). I also never felt that I was getting rid of the lustful feelings. I was just counting days until the next fall.

Anyway, I'm ready to try again with the chart and posting on the forum. I'm ready to make a REAL effort again but I've been feeling very lonely for the past few days, and I need the chizuk from this board to remind me that I'm not alone, and someone cares if I try or not.

Here's another try to feel the Kedusha and attempt to rid myself of the lust...

My first clean day was May 12, so yesterday (May 16) counts 5 clean days so far.

May HaShem help me.

momo,

I love you, we all love you. Like it's been said before, take it one day at a time, hour by hour if you have to. But only count the days again if it gives you strength. If it's gonna weigh you down, don't count now. Feb 18th will anyway be forever noted in the annals of GYE history as Momo's 20K day. One day in the future you can look back and add the days in between.

Meanwhile, just do today. Every day. You know you can, cuz you've done it before.

Hey, that's catchy:

**HERE COMES OUR MOMO,**

**WE KNOW HE WILL,**

I was powerless today. I spent the entire day surfing and acting out. I simply broke after 4 clean days.

Sundays are so hard for me since it's so hard for me to get back into the work week (we work on Sunday's in Israel).

Sorry to disappoint you all. I certainly disappointed myself.

Progress, not perfection, is all Hashem asks from us. And you have definitely progressed since

Nothing like some encouraging words from the Heiliger Guard!

Keep in mind, however, that "powerless" does not mean we need to act out. Anyone who is addicted to anything is "powerless." No one would say this with more conviction than Dov, and he's, b'Ezras Hashem clean for 12 years. "Powerless" simply means that we can't do this on our own.

If it's hard to work on Sunday, why not try nipping the y"h in the bud by reading the handbooks?
