

Momo II: Another try

Posted by Momo - 17 May 2009 10:10

Hi everyone,

After originally joining this forum, my first streak was the best for me (24 days). That was accompanied by almost daily posts and the chart. More important than the number of days, during this streak I really felt the Kedusha and that was an amazing feeling. I felt that I was actually getting rid of lust from within me. However, after I fell, I gave up with the forum and chart, and had smaller streaks. I make efforts to try again, however, I never reached the feeling of Kedusha during the shorter streaks (that were between 5 and 20 days). I also never felt that I was getting rid of the lustful feelings. I was just counting days until the next fall.

Anyway, I'm ready to try again with the chart and posting on the forum. I'm ready to make a REAL effort again but I've been feeling very lonely for the past few days, and I need the chizuk from this board to remind me that I'm not alone, and someone cares if I try or not.

Here's another try to feel the Kedusha and attempt to rid myself of the lust...

My first clean day was May 12, so yesterday (May 16) counts 5 clean days so far.

May HaShem help me.

The Y"H screams:

Despite all my rage, I'm still just a rat in a cage!

...but the Y"TaTov whispers:

I am a ben Avraham, Yitzchak, and Yaakov. I can overcome my feelings of lust at this moment!

SMASH IT!!!

Can someone please explain to me, what exactly is it that ive done that these guys wanna smash me and beat me?? ??? ??? :-\ :-\

My Rebbe in cheder used to say, "It's not you I'm hitting, it is the Yetzer Horah inside you."

Nowadays, his career would be over regardless of who he's hitting!

Let's not turn this into a furom about hitting, but btw, this Rebbe left me with some of my fondest Cheder Rebbe memories. He really is a very special man. I even invited him to my wedding.

It's too bad that nobody can hit us *for* us. It seems we each have to beat the crapola out of *ourselves*. :'(

My 1 year GYE anniversary

Posted by Momo - 23 Feb 2010 12:47

Well, happy anniversary to me! Today marks my one year anniversary with the GYE forum.
1374 posts. Many, many ups and downs.

I'm still acting out, but I've gained much more understanding of myself, received much support,
and had a few good clean streaks.

Many thanks to Guard and you guys for following my thread, and sharing my ups and downs
with me. For laughing with me, and crying with me. Most of all, for standing by me no matter
what I post, and I've written some pretty crazy stuff.

I love you all.

Mazel tov on one year!! I know you wrote a down post but I think it's good to write either down or up posts. See you get to share what is in your head honestly. I for one am glad you wrote the sad post because it gives us a true glimpse of your innermost feelings at the time you wrote it. Try and stay positive!!

KOT!!

Hey Momo,

Happy one year GYE anniversary.

And you wrote some pretty positive things today about being here for a year.

And that was after your dog & vomit post,

so you have positive inside of you, even when there is some other stuff going on.

It is a crazy contradiction, but like Sci wrote, stay positive,

let's all keep on working on ourselves,

and maybe, just maybe, HKB"H will grant us the zchus to appreciate where we're at.

love you man,

kol tuv!
