

Momo II: Another try

Hi everyone,

After originally joining this forum, my first streak was the best for me (24 days). That was accompanied by almost daily posts and the chart. More important than the number of days, during this streak I really felt the Kedusha and that was an amazing feeling. I felt that I was actually getting rid of lust from within me. However, after I fell, I gave up with the forum and chart, and had smaller streaks. I make efforts to try again, however, I never reached the feeling of Kedusha during the shorter streaks (that were between 5 and 20 days). I also never felt that I was getting rid of the lustful feelings. I was just counting days until the next fall.

Anyway, I'm ready to try again with the chart and posting on the forum. I'm ready to make a REAL effort again but I've been feeling very lonely for the past few days, and I need the chizuk from this board to remind me that I'm not alone, and someone cares if I try or not.

Here's another try to feel the Kedusha and attempt to rid myself of the lust...

My first clean day was May 12, so yesterday (May 16) counts 5 clean days so far.

May HaShem help me.

wow, momo. i totally hear you.

i'm thinking, "Gd can hear everything. He answers too even though sometimes we don't hear it. If you cried hard enough and loud enough for 7Up to hear you and post here (she's only

human), than boy, you must be making some raash in shamayim."

how's keeping busy with work going?

and can someone here define normal?!

Oh my, I'm on a roll here. Yesterday I got it on the head from "Struggle" and now Momo thinks I'm being nasty. Guys, I'm so sorry. I love every one of you dearly, but I'm only human and make mistakes.

Momo's final deep thought for the day:

I hate myself.

I wish I was normal.

Being normal ain't that great. Oh, also, you think the suffering that you have done in order to improve is worthless???? ???

Everyone has much room to improve. Our job is to be willing to work on ourselves. I think you

Momo, you used to live in a valley. Ever since you joined GYE you are living on a mountain. Sometimes higher up, sometimes lower down, but still - you're on a MOUNTAIN! So try to be happy and stick with us. We love you more than you know.
