

Momo II: Another try

Posted by Momo - 17 May 2009 10:10

Hi everyone,

After originally joining this forum, my first streak was the best for me (24 days). That was accompanied by almost daily posts and the chart. More important than the number of days, during this streak I really felt the Kedusha and that was an amazing feeling. I felt that I was actually getting rid of lust from within me. However, after I fell, I gave up with the forum and chart, and had smaller streaks. I make efforts to try again, however, I never reached the feeling of Kedusha during the shorter streaks (that were between 5 and 20 days). I also never felt that I was getting rid of the lustful feelings. I was just counting days until the next fall.

Anyway, I'm ready to try again with the chart and posting on the forum. I'm ready to make a REAL effort again but I've been feeling very lonely for the past few days, and I need the chizuk from this board to remind me that I'm not alone, and someone cares if I try or not.

Here's another try to feel the Kedusha and attempt to rid myself of the lust...

My first clean day was May 12, so yesterday (May 16) counts 5 clean days so far.

May HaShem help me.

Momo, I honestly feel your pain.

What exactly do you feel you can't do? The 90 days? So what? It's just a tool that many of us find helpful. Who cares if it didn't work for you yet?

OUR JOB IS TO TRY! OUR JOB IS, TO NOT GIVE UP! OUR JOB IS TO BE PROACTIVE!
THESE ARE THE JOBS THAT HASHEM GAVE US! AND IN THESE JOBS, IT SEEMS TO ME
LIKE YOU'RE DOING 100%. Of course that's just my personal estimation. I could be way off.
Like, maybe you're only doing 96% or maybe even 93%. But I highly doubt that!

Now you have a chance to accomplish the greatest of tikunim by not giving up after a fall. That's
what makes the greatest of the great!

Funny hats required dress for all depressed family members
I'm still alive. I was traveling home from work.

I am thinking of committing virtual suicide, or at least staying off the forum for a while. I'm spending too much time on here anyway. So if you don't hear from me for a while, don't worry about me.

I'd like to take this opportunity to thank everyone for the chizuk you've given me and all of the time you've spent on me.

I wish everyone a gmar vechasima tova.

I hope you all can forgive me if I've hurt anyone of you, or especially if I've depressed anyone or caused you to act out, chas veshalom.

dude, not smart...

you need to check back here just so that you will not forget that there are so many others just like you that keep fighting this war i long thought gd lost...we are still fighting and we cannot do it without your help...when i got here, i landed with a bang that everyone still reminds me of today and i looked around and i thought i landed on some kind of alien planet...then you came along and said, "I am not a Yiddish speaking crying flake, so you are not alone. I like what you've written so far, so please keep it up." and here i am, still fighting today...dont leave me here with the flakes...the Yiddish speaking flakes!! please...do NOT stay off this forum even for a little while...i try my best to keep this place fun enough to come back to even when youre feeling down....i repeatedly have been hinted to by some members that they DO NOT appreciate my routine...so why do i keep here? for people like you and uri and bards and guard that have not rejected me outright even though i have NEVER found refuge in any religious network...stay and keep fighting
