B"H 8 months, WOW, seems so surreal. Its weird finally realizing this life long dream of freedom. I just couldn't take the uncontrollable porn cycle which was my daily life, being dragged down lower and lower as the years passed. Life is still far from perfect, and I'm far from where I'd like to be, but for the first time in my life I'm actually headed, albeit slowly, in the right direction.

Thank you Reb Guard and fellow GYE members for giving me the tools to finally break free.

No more falls, one day at a time.
