Dear Guard: I have indeed been sending my progress e-mails to wallohonor@gmail.com. Somehow, they are not getting through. So, instead, I will keep you posted from here.

Dear GYE Chevra,

Today is Pesach Sheini, the day that represents second chances. Those who have had the Zechus to discover GYE have been given the opportunity for a new lease on life - a Pesach Sheini, so to speak, vis-a-vis our journey is this World. A Pesach Sheini in our marriages, a Pesach Sheini in being effective parents, a Pesach Sheini in living a life where we are Tocho k'Boro, as opposed to living such painful double lives, which we've done for so long.

In addition, I note with tremendous gratitude to HKB"H, to our dedicated Guard, and to the entire GYE community, that today marks two years clean for me, b'Ezras Hashem, and with the help and through the Zechus of GYE.

May we all continue to grow, and merit living lives consistent with the Torah values that are so dear to us. May we all merit becoming the person we once dreamed of becoming (before the challenges of modern technology came along).

With great love and friendship,

Kedusha
